| <b>Part 1: Protozoa</b>   |      |
| Chaper 1: Malaria   | 1    |
| <i>Sornchai Looareesuwan,</i><br><i>Tan Chongsuphajaisiddhi</i> |      |
| Chapter 2: Malaria in children                                  | 62   |
| <i>Arunee subcharoen,</i><br><i>Tan Chongsuphajaisiddhi</i>     |      |
| Chapter 3: Introduction to intestinal<br>protozoal infection    | 84   |
| <i>Sirivan Vanijanonta,</i><br><i>Sasithon Pukrittayakamee</i>  |      |
| Chapter 4: Amoebiasis   | 94   |
| <i>Sirivan Vanijanonta</i>                                      |      |
| Chapter 5: Other intestinal protozoa                            | 111  |
| <i>Sasithon Pukrittayakamee</i>                                 |      |
| Chapter 6: Pneumocystosis                                       | 135  |
| <i>Sasithon Pukrittayakamee,</i><br><i>Sirivan Vanijanonta</i>  |      |
| <b>Part 2: Nematodes</b>  |      |
| Chapter 7: Gnathostomiasis                                      | 144  |
| <i>Pravan Suntharasamai</i>                                     |      |
| Chapter 8: Strongyloidiasis                                     | 159  |
| <i>Punnee Pitisuttithum</i>                                     |      |
| Chapter 9: Trichinosis  | 168  |
| <i>Sirivan Vanijanonta</i>                                      |      |

**Part 3: Trematodes**

- Chapter 10: Paragonimiasis 179  
*Sirivan Vanijanonta*

**Part 4: Bacterial infection**

- Chapter 11: Melioidosis 191  
*Sasithon Pukrittayakamee,*  
*Yupaporn Wattanagoon*
- Chapter 12: Leptospirosis 205  
*Polrat Wilairatana,*  
*Pricha Charoenlarp*
- Chapter 13: Shigellosis 216  
*Punnee Pitisutithum,*  
*Sricharoen Migasena*
- Chapter 14: Cholera 223  
*Punnee Pitisutithum,*  
*Sricharoen Migasena*
- Chapter 15: Tuberculous peritonitis 236  
*Polrat Wilairatana*
- Chapter 16: Acute bacterial meningitis 244  
*Arunee Subchareon,*  
*Wantana Puppodom*

**Part 5: Viral infection**

- Chapter 17: Rabies 263  
*Pravan Suntharasamai*
- Chapter 18: Dengue fever and dengue  
hemorrhagic fever 290  
*Suchitra Nimmanitya*

|                                   |     |
|-----------------------------------|-----|
| Chapter 19: Japanese encephalitis | 303 |
| <i>Arunee Subchareon</i>          |     |
| Chapter 20: Acute viral hepatitis | 317 |
| <i>Polrat Wilairatana</i>         |     |

### **Part 6: Tropical skin diseases**

|   |     |
|---|-----|
| Chapter 21: Cutaneous manifestations of protozoal infections  | 335 |
| <i>Chaisin Viravan</i>  |     |
| Chapter 22: Cutaneous manifestations of helminthic infections | 347 |
| <i>Chaisin Viravan</i>  |     |
| Chapter 23: Skin manifestations of arthropods                 | 361 |
| <i>Chaisin Viravan</i>  |     |

### **Part 7: Other tropical diseases**

|   |     |
|---|-----|
| Chapter 24: Acute diarrheal diseases  | 371 |
| <i>Punnee Pitisitithum,</i><br><i>Sricharoen Migasena</i>                   |     |
| Chapter 25: Acute diarrheal diseases in children                            | 377 |
| <i>Arunee Subchareon</i>  |     |
| Chapter 26: Parasitic diarrhea  | 397 |
| <i>Polrat Wilairatana</i>   |     |
| Chapter 27: Acute respiratory tract infections in children                  | 420 |
| <i>Vanvarothai Singhasivanon</i>  |     |
| Chapter 28: The liver in infection and AIDS-related hepatobiliary disorders | 455 |
| <i>Polrat Wilairatana</i>   |     |
