

Notification on Appointment of
Faculty of Tropical Medicine-Partnership Oversight Committee
(FTM-POC)

No. ~~cc334~~/2561

The FTM-POC is created to facilitate the Institutional Translational Partnership Awards (iTPAs). These grants are a Wellcome Innovations initiative established to foster a stronger link between science, technology and innovation by supporting and encouraging further translation of research to positive health impact.

The FTM-POC is comprised of the following components:

1. Dean of the Faculty of Tropical Medicine
2. Deputy Dean for Administration and Finance
3. Deputy Dean for Research
4. Assistant of Deputy Dean for Research
5. Director of the Mahidol Oxford Tropical Medicine Research Unit
6. Head of the Economics and Translational Research Group
7. Wellcome Trust representatives
8. iTPA Manager (as Secretary of the committee)

The terms of references are as follows:

- To review the existing portfolio, composition, and likelihood of progression of individual translation projects
- To assess proposed new projects for inclusion in the portfolio
- To decide on the discontinuation of non-performing projects
- To oversee the iTPA budget and assist the translation research manager in identifying external funding
- To decide on the management of intellectual property and other outputs on a project by project basis
- To oversee assessment of the impact of the partnership

Date 22 October 2018

(Assoc. Prof. Dr. Pratap Singhasivanon)

Dean, Faculty of Tropical Medicine,

Mahidol University
