

Policy on Research Integrity & Compliance

Abide by Mahidol University's Code of Good Governance (2016),

FTM staff must follow the responsible conduct of research; i.e.

1. Comply with

- ✓ Research Ethics
- ✓ Laws & Regulations
- ✓ Codes of Conduct

2. Maintain a valid

- ✓ License
- ✓ Certificate of Trainings

3. Prior to conduct any research projects, either by FTM staff or within FTM area

✓ Official approval from related committee

4. Inspection of the research project from the related committee; if any violation is determined, the official approval will be terminated.

5. Be aware of research misconduct;

- ✗ Plagiarism
- ✗ Falsification
- ✗ Fabrication

6. Avoid all manner of Conflict of Interest

7. If any misbehavior is suspected, the report can be sent

either through ✓ chain of command

or ✓ (Research Integrity and Compliance Committee; FTM-RIC)

4th Floor, office of research services

to forward such issue to Mahidol University Appeal and Complaint Committee

This is to ensure that research performed within the FTM system is done safely, ethically and legally
