

THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 26

Number 2

1995

CONTENTS	Page
Editorial : The model illusion.....	201
<i>In vivo</i> study of the response of <i>Plasmodium falciparum</i> to standard mefloquine/sulfadoxine/pyrimethamine (MSP) treatment among gem miners returnings from Cambodia.....K Thimasarn, J Sirichaisinthop, S Vijaykadga, S Tansopalaks, P Yamokgul, A Laomiphol, C Palananth, U Thamewat, S Thaithong, W Rooney	204
Behaviors in self-prevention of malaria among mobile populations in east Thailand.....P Butraporn, C Prasittisuk, S Krachaiklin, P Chareonjai	213
Humoral immune responses to the <i>Plasmodium falciparum</i> antigen Pf155/RESA in adults of differential clinical conditions from an Indian zone where malaria is endemic.....S Biswas, DN Rao, A Roy, RPS Yadav, SK Ghosh, L Kabilan	219
Susceptibility of <i>Plasmodium falciparum</i> to chloroquine in tea garden tribes of Assam, India.....SC Gogoi, S Dev, B Choudhury, S Phookan	228
Establishment and characterization of cell lines from liver fluke - associated cholangiocarcinoma induced in a hamster model.....T Tengchaisri, N Prempracha, W Thamavit, S Boonpucknavig, S Sriurairatana, S Sirisinha	231
α_1 -Antitrypsin phenotype PiMZ, a risk factor for liver cirrhosis but not for liver cancers in Thailand.....P Smanadhikorn, P Pongpaew, P Srivatanakul, R Tungtrongchitr, W Supanaranond, FP Schelp, P Migasena	240
Prophylactic treatment for hemophilia a patients : a pilot study....A Chuansumrit, P Isarangkura, P Hathirat	243
Detection of <i>Mycobacterium tuberculosis</i> in sputum, pleural and bronchoalveolar lavage fluid using DNA amplification of the MPB 64 protein coding gene and IS6110 insertion element.....JAMA Tan, BW Lea, TK Lim, NK Chin, CB Tan, JR Xia, HK Yap, G Kumarasinghe	247
PCR to detect <i>Mycobacterium tuberculosis</i> DNA in sputum samples from treated leprosy patients with putative tuberculosis.....A Rafi, F Feval	253
Comparson of multiplex PCR and culture for detection of <i>Legionellae</i> in cooling tower water samples...HR Chang, LH Loo, BG Kuah, BH Heng	258
Evaluation of WHO monoclonal antibody kit for diagnosis of acute respiratory viral infections.....NS Khairullah, SK Lam	263
Immunogenicity and safety of an inactivated hepatitis A vaccine among Singaporeans.....R Guan, HS Ng, KM Fock, Hy Ho, I Yap, JY Kang, WC Chow, CN Chew, C Ng, CJ Teo, R Smith	268
Japanese encephalitis virus is an important cause of encephalitis among children in Penang.....MJ Cardoso, TP Hooi, P Kaur	272
Socio-economic status and micro-environmental factors in relation to the risk of Japanese encephalitis: a case-control study.....DP Luo, HJ Ying, RG Yao JD Song, Z Wang	276
Protective and risk factors for acute respiratory infections in hospitalized urban Malaysian children : a case control study.....BHO Azizi, HI Zulkifli, MS Kasim	280

Childhood malnutrition: An analysis of the effects of nutritional advice.....N Visitsuntorn, R Wongarn	286
Smokeless tobacco use among rural Kadazan women in Sabah, Malaysia.....CY Gan	291
An evaluation of the future role of non-governmental organizations currently engaged in leprosy control in India.....M Vaz, AJW Jacob, A Rajendran	297
A preliminary study of filariasis related acute adenolymphangitis with special reference to precipitating factors and treatment modalities.....RK Shenoy, K Sandhya, TK Suma, V Kumaraswami	301
Experimental studies on early treatment of schistosomal infection with artemether.....SH Xiao, JQ You, YQ Yang, CZ Wang	306
Possible formation of new brood capsule by the previously formed brood capsule in <i>Echinococcus multilocularis</i> netacestodes.....K Ohnishi, H Kutsumi	319
<i>Ascaris</i> and <i>Trichuris</i> do not contribute to growth retardation in primary school children.....KPF Lai, H Kaur, RG Mathias, CK Ow-Yang	322
USE of culture-filtrated antigen in an ELISA and a dot immunoassay for the diagnosis of melioidosis.....S Wongratanacheewin, S Amornpant, RW Sermswan, U Tattawasart, S Wongwajana	329
Cryptosporidiosis in HIV infected patients in Thailand.....P Moolasart, B Eampokalap, M Ratanasrithong, P Kanthasing, S Tansupaswaskul, C Tanchanpong	335
<i>Chlamydia pneumoniae</i> infection in Thai children : serological diagnosis.....P Nunthapisud, N Prapphal, S Likitnukul, A Vejabhuti, PK Das	339
Widespread emergence of <i>Vibrio cholerae</i> 0139 in India.....V Sachdeva, KK Khanna, M Singh, J Singh, S Kumari, T Verghese	342
Shigellosis in Thai children : experience from a rural hospital 1985-1993.....D Srison, V Pornpatkul	347
Development and preliminary evaluation of an IgM dot-immunobinding assay (IgM-DIA) for rapid serodiagnosis of Scrub typhus infection.....AS Koay, ST Tay, YM Cheong, RMd Yasin	350
The impact of permethrin impregnated bednets on the malaria vector <i>Anopheles maculatus</i> (Diptera : Culicidae) in Aboriginal villages of Pos Betau Pahang, Malaysia.....I Vythilingam, LC Foo, GL Chiang, ST Chan, KL Eng, S Mahadevan, JW Mark, K Inder Singh	354
A report of <i>Anopheles</i> (Diptera : Culicidae) attracted to cow bait in a malaria endemic village in Peninsular Malaysia near the Thailand border.....WA Rahmam, A Hassan, CR Adanan, M Razha	359
An epidemic of tetrodotoxin poisoning following ingestion of the horseshoe crab <i>Carcinoscorpiut rotundicauda</i>J Kanchanapongkul, P Krittayapoositpot	364
Research note: Effect of minor engineering intervention in the control of breeding of <i>Phlebotomus papatasi</i> (scopoli) sandflied.....RC Dhiman	368
Research note : Lambdacyhalothrin impregnated bednets control malaria in Sabah, Malaysia.....JHii, N Alexander, CK Chuan, HA Rahman, A Safri, MKC Chan	371
Case report : <i>Cyclospora</i> infection in an HIV infected patient with ultrastructural study.....D Wanachiwanawin, P Lertlaituan, S Manatsathit, S Tunsupaswasdikul, P Suwanagood, K Thakerngpol	375
Case report : intestinal microsporidiosis : first reported case in Thailand.....P Pitisuttithun, B Phiboonnakit, D Chindanond, B Punpoonwong, S Leelasuphasri, S Vanijanond	378
Case report : Treatment of cryptococcal meningitis with triple combination of amphotericin B, flucytosine and itraconazole.....V Chotmongkol, S Jitpimolmard	381
