

THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 27

Number 4

December 1996

CONTENTS

	Page
Editorial : Tropical diseases and economic change.....C Kidson	647
Seroepidemiology of hepatitis A virus antibody in primary school children in Khon Kaen province, northeastern Thailand.....P Kosuwon, S Sutra, P Kosalaraksa, Y Poovorawan	650
High hepatitis C seroprevalence in Thai intravenous drug abusers and qualitative riks analysis.....P Luksamijarupkul, S Plucktaweesak	654
Protective antibody after a 'one dollar' hepatitis B vaccine.....S Kalayanaroj, DW Vaughn, C Ariyasriwatana, R Snitbhan	659
<i>In vivo</i> and <i>in vitro</i> studies on the morphological change in the monkey epidermal langerhans cells following exposure to dengue 2 (16681) virus.....S Taweechaisupapong, S Sriurairatana, S Angsubhakorn, S Yoksan, N Bhamarapravati	664
An appraisal of some recent diagnostic assays for Japanese encephalitis.....A Gajanana, PP Samuel, V Thenmozhi, R Rajendran	673
Monoclonal antibodies against respiratory syncytial virus for rapid detection and subgroup determination.....S Tantivanich, M Chittaganpitch, S Khusmith, S Pattamadilok	680
Clinical and laboratory profile of sixty patients with AIDS : A South Indian study.....J George, A Hamide, AK Das, SK Amarnath, RS Rao	686
Impact of school-based HIV and AIDS education for adolescents in Bombay, India.....S Sankaranarayan, E Naik, PSN Reddy, G Gurunani, K Ganesh, K Gandewar, KP Singh, SH Vermund	692
Knowledge, attitude and preventive practice survey regarding AIDS comparing registered to freelance commercial sex workers in Iloilo City, Philippines.....TI Liu, R So	696
Epidemiology of blood-borne viruses : A study of healthy blood donors in Southern Pakistan.....GN Kakepoto, HS Bhally, G Khaliq, N Kayani, IA Burney, T Siddiqui, M Khurshid	703
Study of young women vaccinated against rubella virus for 10 years in Taiwan.....DB Lin, CL Kao, CY Lee	707
Comparison of separated - lymphocyte and whole-blood lymphocyte proliferation assays for evaluating rabies-induced cellular immunity.....S Kasempimolporn, N Naraporn, A Saikasem, V Sitprijia	715
Amphotericin B with or without flucytosine followed by fluconazole as primary therapy for cryptococcal meningitis in patients with AIDS.....S Jaruratanasirikul	719
Bacterial diarrhea in Laos, a region where cholera was endemic.....Y Midorikawa, S Nakamura, Y Iwade, A Sugiyama, L Sisavath, R Phakhonthong	724
Anti-PGL-1 antibody levels in Thai leprosy patientsK Kampirapap, N Singtham	728
<i>In vitro</i> activity of cefoperazone-sulbactam : Singapore experience.....G Kumarasinghe, C Chow, C Chiu, YM Cheong	734
Utility of catalytic models in the estimation of incidence and prevalence of malaria in a hyperendemic situation.....A Manoharan, P Jambulingam, PK Das	738

Anthelmintic treatment raises plasma iron levels but does not decrease the acute-phase response in Jakarta school children.....E Karyadi, R Gross, S Sastroamidjojo, D Dillon, AL Richards, I Sutanto	742
Soil-transmitted helminthiasis in China : A spatial statistical analysis.....D Lai, PH Bartholomew	754
Monoclonal antibody-based ELISA for the detection of circulating <i>Entamoeba histolytica</i> antigen in hepatic amebiasis in hamsters (<i>Mesocricetus auratus</i>).....N Thammapalerd, JB Sherchand, D Kotimanusvanij, T Chintana, S Tharavanij	760
Comparative trials using albendazole and mebendazole in the treatment of soil-transmitted helminths in schoolchildren on Penang, Malaysia.....WA Rahman	765
Profile of heroin addicts in Nagaland, India.....S Kumar, NS Wairagkar, J Mahanta, K Satyanarayana, M Chetial, RK Phukan, SK Goswami	768
Sequential pattern of non-medical drug use in the drug career of opiate dependents in Nagpur, India.....NS Wairagkar, SN Wahab, HR Kulkarni	772
Obesity in primary care patients in Kelantan, Malaysia : Prevalence and patients' knowledge and attitudes.....A Jackson, C Cole, J Esquiro, M Edwards	776
Incidence and risk factors for carbohydrate intolerance in Thai infants with acute diarrhea : An outpatient-based study.....S Osatakul, S Arunchiya, A Puetpaiboon, L Lebel	780
Vitamin A status of Filipino preschool children given a massive oral dose.....LA Perlas, RF Florentino, RT Fuentes, JR Madriaga, RL Cheong, JA Desnacido, JM Marcos, MIZ Cabrera	785
Effect of air pollution on respiratory symptoms of junior high school students in Indonesia.....A Tri-Tugaswati, K Yasuo	792
Strokes in Thai children : Etiology and outcome....P Visudhiphan, S Chiemchanya, D Wattanasirichaigoon	801
An outbreak of horseshoe crab poisoning in Chon Buri, Thailand : Clinical, toxicologic and therapeutic considerations.....J Kanchanapongkul, A Kungsuwan, V Tantisiriwan, C Punthawangkun, P Krittayapoositpot	806
Review: Progress in studies on the overwintering of the mosquito <i>Culex tritaeniorhynchus</i>JG Min, M Xue	810
Genetic differentiation among three populations of <i>Anopheles minimus</i> of Guangxi and Yunnan provinces in China.....K Sawebe, M Takagi, Y Tsuda, LH Tang, JJ Xu, CP Qiu, LZ Jin, XF Luo	818
Laboratory evaluation of the toxic effects of bednets impregnated with permethrin against malaria mosquitoes.....P Bo, ZZ Li, YG Wu, MZ Zhang, MX Li, Y Yang	828
Estimation of larval production in Sanjay Lake and its surrounding ponds in Delhi, India using remote sensing technology.....VP Sharma, BN Nagpal, A Srivastava, S Adiga, P Manavalan	834
Research note : Pyrethroia insecticide treated bednets for malaria control in China...YF Ge, RX Cao, DP Luo	841
Research note : Etiology of acute non - A, B, C, hepatitis in Thai patients : preliminary study.....Y Maneerat, P Wilairatna, E Pongponrath, U Chaisri, P Puthavatana, R Snitbhan, B Raengsakulrach, ET Clayson, DW Vaughn, S Kurathong, S Pramoolsinsup, A Juthaputhi	844
Research note : Potential transmission of Bancroftian filariasis in urban Thailand.....W Swaddiwudhipong, Y Tatip, M Meethong, P Preecha, T Kobasa	847
Research note : Prevalence of <i>Blastocystis</i> in animals from domesticated surroundings.....LS Chuong, K Suresh, JW Mak, I Init, O Kathijah	850
Research note : First report of <i>Suidasia pontifica</i> (acari : Acaridae) in milk powder.....TM Ho	853
Author Index.....	855
Subject Index.....	862
