

# THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

---

Volume 33 Supplement 3 2002

---

CONTENTS	Page
Foreword .....	i
Acknowledgements .....	ii
Polymorphisms of <i>CD36</i> in Thai malaria patients .....	
..... K Omi, J Ohashi, I Naka, J Patarapotikul, H Hananantachai, S Looreesuwan, K Tokunaga	1
Lack of association between interleukin -10 gene promoter polymorphism, -1082G/A, and severe malaria in Thailand .....	5
..... J Ohashi, I Naka, J Patarapotikul, H Hananantachai, S Looreesuwan, K Tokunaga	
PCR-amplification, sequencing, and comparison of the <i>VAR/PFEMP-1</i> gene from the blood of patients with falciparum malaria in the Philippines .....	
..... N Ikenoue, S Kawazu, T Hatabu, EA Villacorte, PT Rivera, S Kano	8
Malaria among hilltribe communities in northern Thailand: a review of clinical manifestations .....	
A Suyaphun, V Wiwanitkit, J Suwansaksri, S Nithiuthai, S Sritar, W Suksirisampant, A Fongsungnern	14
A simple technique for the <i>in vitro</i> cultivation of nocturnally subperiodic <i>Brugia malayi</i> infective larvae ..	
..... P Tippawangkosol, W Choochote, D Riyong, A Jitpakdi, B Pitasawat	16
Intraspecific hybridization of <i>Anopheles minimus</i> (Diptera: Culicidae) species A and C in Thailand .....	
..... W Choochote, Y Rongsriyam, S Leemingsawat, A Jitpakdi, N Komalamisra, K Surathin, P Somboon, B Chen, S Wongkamchai, N Jariyapan, P Tippawangkosol, B Pitasawat, D Riyong	23
Intraspecific hybridization of two karyotypic forms of <i>Anopheles vagus</i> (Diptera: Culicidae) and the related egg surface topography .....	
..... W Choochote, A Jitpakdi, K Sukontason, U Chaithong, S Wongkamchai, B Pitasawat, N Jariyapan, T Suntaravitun, E Ratanachanpichai, K Sukontason, S Leemingsawat, Y Rongsriyam	29
Survey of indoor cockroaches in some dwellings in Bangkok .....	
..... P Sriwichai, D Nacapunchai, S Pasuralertsakul, Y Rongsriyam, U Tharava	36
Ixodid ticks on domestic animals in Samut Prakan Province, Thailand .....	
..... C Nithikathkul, P Polseela, B Changsap, S Leemingsawat	41
<i>Cyclospora cayetanensis</i> : oocyst characteristics and excystation .....	
..... C Siripanth, R Phraevanich, W Suphadtanaphongs, N Thima, P Radomyos	45
<i>In-vitro</i> effect of artesunate against <i>Acanthamoeba</i> spp.....	
..... D Nacapunchai, K Phadungkul, S Kaewcharus	49
Improved antigens for IgG-ELISA diagnosis of strongyloidiasis .....	
..... P Dekumyoy, K Somtana, P Jantanawiwat, S Nuamtanong, S Sa-nguankiat, S Nuchfaong, K Janyapoon, D Chindanond	53
Prevalence and intensity of third stage <i>Gnathostoma spinigerum</i> larvae in swamp eels sold in three large markets in Bangkok, Thailand .....	
..... W Saksirisampant, S Nuchprayoon, V Wiwanitkit, K Kraivichian, J Suwansaksri	60
Fish as the natural second intermediate host of <i>Gnathostoma spinigerum</i> .....	
..... W Rojekittikhun, J Waikagul, T Chaiyasith	63
<i>Enterobius vermicularis</i> infection among pre-school children in Karen hilltribe villages in Chiang Mai, Thailand .....	
..... A Tukaew, T Chaisalee, S Nithiuthai, S Thiamtip, A Suyaphun, V Wiwanitkit, J Suwansaksri	70
Enterobiasis in primary schools in Bang Khun Thian district, Bangkok, Thailand .....	
..... B Changsap, C Nithikathkul, P Boontan, S Wannapinyosheep, N Vongvanich, C Poister	72
Factors affecting the hatching of human pinworm ova .....	
..... D Nacapunchai, C Lamom, B Boonsongpaired, P Piumngam	76

Recent advances in basic and applied science for the control of taeniasis/cysticercosis in Asia .....	79
..... A Ito, T Wandra, R Subahar, A Hamid, H Yamasaki, Y Sako, W Mamuti, M Okamoto, K Nakaya, M Nakao, Y Ishikawa, T Suroso, PS Craig, SS Margono	
Collaboration for the control of cysticercosis/echinococcosis in Vietnam .....	83
..... A Ito	
The diagnosis of human opisthorchiasis .....	86
..... N Jamornthanyawat	
Production of monoclonal antibodies against partially purified surface tegument antigens of <i>Fasciola gigantica</i> .....	92
..... D Krailas, S Panomsuk, T Janecharat, S Ukong	
The formol-ether concentration technique for intestinal parasites: comparing 0.1 N sodium hydroxide with normal saline preparations .....	97
..... J Suwansaksri, S Nithiuthai, V Wiwanitkit, S Soogarun, P Palatho	
Pineapple juice as an agent for the digestion of fish prior to harvesting of metacercariae .....	99
..... T Prawang, K Sukontason, KL Sukontason, W Choochote, S Piangjai	
A survey of metacercariae in cyprinoid fish in Nakhon Ratchasima, northeast Thailand .....	103
..... S Nithiuthai, J Suwansaksri, V Wiwanitkit, P Chaengphukeaw	
A survey of trematode cercariae in <i>Bithynia goniomphalos</i> in northeast Thailand .....	106
..... S Nithiuthai, V Wiwanitkit, J Suwansaksri, P Chaengphukeaw	
Parasitic infections in Thai workers that pursue averseas employment: the need for a screening program ..	110
..... W Saksirisampant, V Wiwanitkit, P Akrabovorn, S Nuchprayoon	
School-based helminthiasis control: I. A baseline study of soil-transmitted helminthiasis in Nakhon Si Thammarat Province, Thailand .....	113
..... MT Anantaphruti, P Jongsuksuntigul, T Imsomboon, N Nagai, C Muennoo, S Saguankiat, S Pubampen, S Kojima	
Prevalence of <i>Salmonella</i> and <i>E. coli</i> , and their resistance to antimicrobial agents, in farming communities in northern Thailand .....	120
..... R Hanson, JB Kaneene, P Padungtod, K Hirokawa, C Zeno	
Surveillance for meningococcal carriage by Muslims returning from the Hajj to Hat Yai airport, Thailand .....	127
..... S Phrom-in	
Biological false reactive VDRL tests: when to re-test? .....	131
..... V Wiwanitkit	
Genotype distribution of genital <i>Chlamydia trachomatis</i> in Chiang Mai, Thailand .....	133
..... K Wongworapat, P Veeraseatakul, K Jitvacharanun, P Leechanachai	
Molecular serotyping of dengue viruses in field-caught <i>Aedes</i> mosquitos by in-house RNA extraction/ RT-PCR reagent kits .....	139
..... P Pankhong, W Siriprasertkul, S Patpoparn, M Srisuphanunt, J Rojanapremsuk, R Sithiprasasna, RE Coleman, A Nisalak, TP Endy, MK Attatippaholkun, WH Attatippaholkun	
Vaccinating Thai adolescents against hepatitis A: is it cost-effective? .....	145
..... S Soogarun, V Wiwanitkit	
Human herpesvirus 6 antibodies in $\beta$ -thalassemia/hemoglobin E pediatric patients .....	149
..... B Bhattarakosol, V Wiwanitkit, C Boonchalermvichian, I Nuchprayoon	
Antifungal activity and local toxicity of <i>Alangium salviifolium</i> subsp <i>hexapetalum</i> . .....	152
..... M Wuthi-udomlert, S Prathanturarug, Y Wongkrajang	
The toxicology of <i>Butea superba</i> , Roxb. ....	155
..... A Pongpanparadon, S Aritajat, K Saenphet	
Using reticulocyte indices to identity $\alpha$ -thalassemia - a preliminary report .....	159
..... S Soogarun, J Suwansaksri, V Wiwanitkit	
Facilities for the disabled in the commercial districts of Bangkok - are they adequate? .....	164
..... W Waenlor, V Wiwanitkit, J Suwansaksri, S Soogarun	
Cadaver donation: a retrospective review at the King Chulalongkorn Memorial Hospital, Bangkok .....	166
..... S Agthong, V Wiwanitkit	
Potential exposure to liability of investigators performing clinical research in developing nations .....	168
..... WA Sodeman, Jr
