Interactions between malaria workers and clinical malaria patients in Jepara District, Indonesia	959
..... A Utarini, L Nystrom, R Sanusi, D Chandramohan, A Winkvist	
Dose ranging studies of new artemisinin-piperazine fixed combinations compared to standard regimens of artemisinin combination therapies for acute uncomplicated falciparum malaria	971
..... S Krudsood, N Tangpukdee, V Thanchatwet, P Wilairatana, S Srivilairit, N Pothipak, S Jianping, L Guoqiao, GM Brittenham, S Looareesuwan	
Research note. Interactions between antiparasitic 3,6-diamino-1'-dimethyl-9-anilinoacridine and hematin and concanamycin A ..	979
..... S Auparakkitanon, K Poonchareon, K Sopitthummakhun, P Wilairat	
Epidemiological aspects and risk factors of toxocariasis in a pediatric population in Sri Lanka	983
..... SD Fernando, VP Wickramasinghe, GMG Kapilananda, RL Devasurendra, JDMS Amarasooriya, HGAK Dayaratne	
Restriction enzyme digestion analysis of PCR-amplified DNA of <i>Blastocystis hominis</i> isolates	991
..... I Init, AI Foad, MY Fong, H Yamazaki, M Rohela, HS Yong, JW Mak	
An unceasing problem: soil-transmitted helminthiasis in rural Malaysian communities	998
..... MS Hesham AI-Mekhlafi, AS Atiya, YAL Lim, AK Mohammed Mahdy, WA Wan Ariffin, H Che Abdullah, J Surin	
Research note. Visceral schistosomiasis among domestic ruminants slaughtered in Wayanad, South India	1008
..... R Ravindran, B Lakshmanan, C Ravishankar, H Subramanian	
Seasonal variation of cave-dwelling phlebotomine sandflies (Diptera : Psychodidae) in Phra Phothisat cave, Saraburi Province, Thailand	1011
..... R Polseela, C Apiwathnasorn, Y Samung	
Trematode infections of the freshwater snail family Thiariidae in the Khek River, Thailand	1016
..... W Dechruksa, D Krailas, S Ukong, W Inkapatanakul, T Koonchornboon	
A statistical method for forecasting demographic time series counts, with application to HIV/AIDS and other infectious disease mortality in southern Thailand	1029
..... A Lim, C Choonpradub	
Sources of data for improved surveillance of HIV/AIDS in China	1041
..... Y Jia, F Lu, X Sun, SH Vermund	
Outcomes in HIV-infected patients on antiretroviral therapy with tuberculosis	1053
..... S Tansuphasawadikul, W Saito, J Kim, B Phonrat, J Dhitavat, S Chamnanchan, P Pitisuttithum	
Sexual behavior and HIV infection among pregnant hilltribe women in northern Thailand	1061
..... T Keereekamsuk, S Jiamton, Sutthi Jareinpituk, J Kaewkungwal	
Trends in hepatitis B virus infection among blood donors in Kelantan, Malaysia : a retrospective study	1070
..... R Yousuf, M Rapiaah, SA Ahmed, H Rosline, A Salam, S Selamah, TM Roshan	
Household and community transmission of the Asian influenza A (H2N2) and influenza B viruses in 1957 and 1961	1075
..... H Nishiura, G Chowell	
Case report. Myalgia cruris epidemica: an unusual presentation of dengue fever	1084
..... R Ahmad, AK Abdul Latiff, S Abdul Razak	

Serovar distribution and antibiotic susceptibility of nontyphoidal <i>Salmonella</i> isolated from pediatric patients in Jakarta, Indonesia	1088
..... P Bukitwetan, JE Suryawidjaja, O Ch Salim, A Hidayat, E Herwana, M Lesmana	
Analysis of <i>gyrA</i> mutations related to quinolone resistance in <i>Escherichia coli</i> isolates originating from pet, human, vegetable and ice in Bangkok and vicinity	1095
..... W Sianglum, W Wonglumsom, P Srimanote, K Kittiniyom	
<i>Helicobacter pylori</i> infection in peptic ulcer disease: the importance of smoking and ethnicity	1102
..... KVK Pillay, M Htun, NN Naing, B Norsa'adah	
Research note. Comparison of a slide agglutination test, LeptoTek Dri-Dot, and IgM-ELISA with microscopic agglutination test for <i>Leptospira</i> antibody detection	1111
..... C Chirathaworn, Y Kaewopas, Y Poovorawan, D Suwancharoen	
Human plague outbreak in two villages, Yunnan Province, China, 2005	1115
..... JX Yin, XQ Dong, Y Liang, P Wang, P Siriarayaporn, L Thaikruea	
A preliminary study of thiamine status in northeastern Thai children with acute diarrhea	1120
..... P Boonsiri, R Tangrassameeprasert, C Panthongviriyakul, P Yongvanit	
The use of an In House Scoring System Scale versus Glasgow Coma Scale in non-traumatic altered states of consciousness patients : can it be used for triaging patients in Southeast Asian developing countries?	1126
..... M Maheswaran, WAW Adnan, R Ahmad, NHN Ab Rahman, NN Naing, J Abdullah	
Establishment and evaluation of the Japanese edition of the weekly epidemiological record (WER) website by the Faculty of Health Sciences of Kobe University School of Medicine	1141
..... H Sakaguchi, M Usami, H Ando, A Ohata	
The use of herbal medicines during pregnancy and perinatal infant mortality in Tumpat District, Kelantan, Malaysia	1150
..... A Ab Rahman, Z Ahmad, L Naing, SA Sulaiman, AM Hamid, WN Wan Daud	
Self-reported health benefits in patients recruited into New Zealand's 'Green Prescription' primary health care program	1158
..... KM Sinclair, MJ Hamlin
