

# THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 40

Number 4

July 2009

## CONTENTS

Page

Blood stage <i>Plasmodium falciparum</i> antigens induce immunoglobulin class switching in human enriched B cell culture .....	651
P Potup, R Kumsiri, S Kano, T Kalambaheti, S Looareesuwan, M Troye-Blomberg, Y Maneerat	
Prevalence of clinical malaria among an Orang Asli community in Malaysia .....	665
G Kaur	
Malaria trends and challenges in the Greater Mekong Subregion .....	674
C Delacollette, C D'Souza, E Christophel, K Thimasarn, R Abdur, D Bell, TC Dai, D Gopinath, S Lu, R Mendoza, L Ortega, R Rastogi, C Tantanimikul, J Ehrenberg	
Heterologous production of dense granule GRA7 antigen of <i>Toxoplasma gondii</i> in <i>Escherichia coli</i> .....	692
G Sadeghiani, M Zare, J Babaie, M-A Shokrgozar, K Azadmanesh, P Fard-Esfahani, M Golkar	
<b>Review.</b> Genes and cholangiocarcinoma .....	701
K Sawanyawisuth	
Vectorial role of <i>Anopheles subpictus</i> Grassi and <i>Anopheles culicifacies</i> Giles in Angul District, Orissa, India .....	713
S Kumari, S Kumar Parida, N Marai, A Tripathy, R Kumar Hazra, S Kumar Kar, N Mahapatra	
Mosquito fauna of "Toh Daeng" swamp forest, Thailand .....	720
C Apiwathnasorn, Y Samung, S Prummongkol, C Panasoponkul, S Loymek	
Cardiac involvement in dengue virus infections during the 2004/2005 dengue fever season in Sri Lanka .....	727
D Wichmann, S Kularatne, S Ehrhardt, S Wijesinghe, NW Brattig, W Abel, GD Burchard	
Etiology of enterically-transmitted hepatitis among foreigners in Nepal .....	731
R McN Scott, P Pandey, DR Shlim, Khin-Saw-Aye-Myint	
Febrile period and maximum body temperature in patients with measles over 15 years old ....	738
K Ohnishi, I Nakamura, F Nakamura-Uchiyama, N Komiya	
Impact of a measles elimination strategy on measles incidence in Malaysia .....	742
TS Saraswathy, H Nor Zahrin, H Norhashmimi, A Az-Ulhusna, S Zainah, J Rohani	
HIV-1 subtype B <i>tat</i> gene activities and disease progression in HIV-1 CRF01_AE infection .....	748
C Niyasom, N Horthongkham, A Sreephiang, W Kantakamalakul, S Louisirirochanakul, T Chuenchitra, R Sutthent	
Cytomegalovirus glycoprotein B gene polymorphism and its association with clinical presentations in infants .....	759
A Mewara, B Mishra, R Kanta Ratho, P Kumar	
Comparative evaluation of two cold staining methods with the Ziehl-Neelsen method for the diagnosis of tuberculosis .....	765
S Gupta, V Prasad, I Bairy, S Muralidharan	
Osteoarticular tuberculosis: how often is it missed? .....	770
HA Bukharie, AM Al-Rubaish, A Al-Zahrani, M Sadat-Ali	
<b>Case report.</b> Empyema thoracis due to nocardiosis and <i>Mycobacterium tuberculosis</i> mixed infections in an AIDS patient .....	776
K Inthraburan, A Wongsat	

<b>Research note.</b> Lack of correlation of <i>Burkholderia pseudomallei</i> quantities in blood, urine, sputum and pus .....	G Wongsuvan, D Limmathurotsakul, S Wannapasni, W Chierakul, N Teerawattanasook, V Wuthiekanun	781
<b>Case report.</b> Endemic typhus (murine typhus) in an 18 year old Libyan adult ...	P Sable, M Maayuf	785
Scrub typhus in children in a teaching hospital in eastern Taiwan, 2000-2005 .....	C-T Huang, H Chi, H-C Lee, N-C Chiu, F-Y Huang	789
Influence of enrichment broths on multiplex PCR detection of total coliform bacteria, <i>Escherichia coli</i> and <i>Clostridium perfringens</i> , in spiked water samples .....	S Worakhunpiset, P Tharnpoophasiam	795
Assessment of different tests to detect methicillin resistant <i>Staphylococcus aureus</i> .....	HK Tiwari, D Sapkota, AK Dad, MR Sen	801
Statistical modelling of childhood diarrhea in northeastern Thailand .....	J Ardkaew, P Tongkumchum	807
Effectiveness of school network for childhood obesity prevention (SNOCOP) in primary schools of Saraburi Province, Thailand .....	P Banchonhattakit, C Tanasugarn, M Pradipasen, KR Miner, D Nityasuddhi	816
<b>Research note.</b> Laxative anthraquinone contents in fresh and cooked <i>Senna siamea</i> leaves ....	A Sakulpanich, W Gritsanapan	835
Investigation of triclosan retention and dental plaque viability with a Triclosan/PVM/MA copolymer mouthrinse in a Thai population .....	P Kraivaphan, C Amornchat, T Laothumthut, T Triratana	840
Loss of L-ascorbic acid in commercial drinking milk caused by milk processing and storage times .....	N Nalame, W Chaisri, W Suriyasathaporn	848
The patterns and determinants of birth interval in multiparous women in Babol, northern Iran .....	KO Hajian-Tilaki, N Asnafi, F Aliakbarnia-Omrani	852
Feasibility of one-stop antenatal syphilis screening in Ulaanbaatar, Mongolia: women and providers perspectives .....	B Munkhuu, T Liabsuetrakul, E McNeil, R Janchiv	861
