

# THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 41

Number 3

May 2010

CONTENTS	Page
Optimization for high-level expression in <i>Pichia pastoris</i> and purification of truncated and full length recombinant SAG2 of <i>Toxoplasma gondii</i> for diagnostic use ..... YL Lau, I Ithoi, MY Fong	507
<b>Short report.</b> Vitamin K injection in spontaneous bleeding and coagulopathy in severe malaria: pros and cons ..... P Wilairatana, S Krudsood, N Tangpukdee	514
Three day albendazole therapy in patients with a solitary cysticercus granuloma: a randomized double blind placebo controlled study ..... RN Chaurasia, RK Garg, A Agarwal, N Kohli, R Verma, MK Singh, R Shukla	517
Ectoparasitic fauna of birds, and volant and non-volant small mammals captured at Srinakaran Dam, Kanchanaburi, Thailand ..... T Changbunjong, C Jirapattharasate, R Buddhirongawatr, K Chewajon, P Charoenyongyoo, S Suwanapakdee, S Waengsothorn, K Triwitayakorn, K Chaichoun, P Ratanakorn	526
Breeding patterns of <i>Aedes stegomyia albopictus</i> in periurban areas of Calicut, Kerala, India ..... BB Rao, B George	536
Bionomic status of <i>Anopheles epiroticus</i> Linton & Harbach, a coastal malaria vector, in Rayong Province, Thailand ..... S Sumruayphol, C Apiwathnasorn, N Komalamisra, J Ruangsittichai, Y Samung, P Chavalitsheewinkoon-Petmitr	541
The life cycle and effectiveness of insecticides against the bed bugs of Thailand ..... S Suwannayod, Y Chanbang, S Buranapanichpan	548
Escalated regimen of hepatitis B vaccine in childhood hematological malignancies while on chemotherapy ..... N Ghosh, MA Mannan, F Monjur, F Rizwan, AFM Salim	555
Comparison of neuraminidase activity of influenza A virus subtype H5N1 and H1N1 using reverse genetics virus ..... A Rawangkhan, D Sanguansermisri, N Suwannakhon, S Pongcharoen, P Pensuwan, C Chamnanpood, P Chamnanpood, P Sanguansermisri	562
<b>Case report.</b> Delayed progression and inefficient transmission of HIV-2 ..... B Kashyap, H Gautam, S Chadha, P Bhalla	570
Modeling the incidence of tuberculosis in southern Thailand ..... N Kongchouy, S Kakchapati, C Choonpradub	574
Patterns of drug resistance and RFLP analysis of <i>Mycobacterium tuberculosis</i> strains isolated from recurrent tuberculosis patients in Sri Lanka ..... DN Magana-Arachchi, AJ Perera, V Senaratne, NV Chandrasekaran	583
Multiplex PCR for detection of clarithromycin resistance and simultaneous species identification of <i>Mycobacterium avium</i> complex ..... S Iamsawat, S Surawut, T Prammananan, A Leelaporn, J Jearanaisilavong	590
<b>Case report.</b> Endotracheal tuberculosis with obstruction ..... Y Uçar, ZÇ Sözen, D Karnak	602

<b>Case report.</b> Coexistence of breast cancer metastases and tuberculosis in axillary lymph nodes – a rare association and review of the literature .....	NS Salemis, A Razou	608
Detection of outer membrane porin protein, an imipenem influx channel, in <i>Pseudomonas aeruginosa</i> clinical isolates ....	P Naenna, P Noisumdaeng, P Pongpech, C Tribuddharat	614
High prevalence of <i>bla</i> <sub>oxz-23</sub> in oligoclonal carbapenem-resistant <i>Acinetobacter baumannii</i> from Siriraj Hospital, Mahidol University, Bangkok, Thailand .....	B Thapa, C Tribuddharat, S Srfuengfung, C Dhiraputra	625
<b>Research not.</b> Comparison of Vi serology and nested PCR in diagnosis of chronic typhoid carriers in two different study populations in typhoid endemic area of India .....	G Nath, P Maurya, AK Gulati, TB Singh, R Srivastava, K Kumar, SK Tripathi	636
Is <i>Penicillium citrinum</i> implicated in sago hemolytic disease? .....	L Atagazli, AR Greenhill, W Melrose, AG Pue, JM Warner	641
A diphtheria outbreak in Assam, India .....	L Saikia, R Nath, NJ Saikia, G Choudhury, M Sarkar	647
<b>Research note.</b> Identification of IgE-binding proteins of raw and cooked extracts of <i>Loligo edulis</i> (white squid) .....	ZHM Yadzir, R Misnan, N Abdullah, F Bakhtiar, M Arip, S Murad	653
Development of a questionnaire for assessing factors predicting blood donation among university students: A pilot study .....	M Jalalian, L Latiff, STS Hassan, P Hanachi, M Othman	660
Impact on access to medicines from TRIPS-Plus: a case study of Thai-US FTA .....	N Kessomboon, J Limpananont, V Kulsomboon, U Maleewong, A Eksaengsri, P Paothong	667
Microbial counts and particulate matter levels in roadside air samples under skytrain stations, Bangkok, Thailand .....	P Luksamijarulkul, P Kongtip	678
Knowledge and views regarding condom use among female garment factory workers in Cambodia .....	G Webber, N Edwards, C Amaratunga, ID Graham, V Keane, S Ros	685
Awareness and practice of post abortion care services among health care professionals in southeastern Nigeria .....	JIB Adinma, L Ikeako, ED Adinma, CO Ezeama, JO Ugboaja	696
Antenatal care among ethnic populations in Luang Namtha Province, Lao PDR ....	O Phathamavong, M Ali, S Souksavat, K Chounramany, C Kuroiwa	705
Early childhood caries and related factors in Vientiane, Lao PDR .....	S Senesombath, S Nakornchai, P Banditsing, D Lexomboon	717
Association between an unhealthy lifestyle and other factors with hypertension among hill tribe populations of Mae Fah Luang District, Chiang Rai Province, Thailand ...	Y Duangtep, K Narksawat, R Chongsuwat, P Rojanavipart	726
Factors associated with alcohol consumption among male high school students in central Thailand .....	W Chaveepojnkamjorn, N Pichainarong	735
A pilot use of team-based learning in graduate public health education .....	M Van der Putten, N Vichit-Vadakan	743
Erratum .....		754
