

ERRATA

In the Southeast Asian Journal of Tropical Medicine and Public Health 2011; 42 (4): 772, names of two authors (1st and 3rd) were inadvertently incorrect. After correction, the author names thus read :

ROLES OF PARTIALLY PURIFIED ANTIGENS FROM *GNATHOSTOMA SPINIGERUM* LARVAE ON ANTIBODY PRODUCTION BY HUMAN B CELL CULTURE

Kasem Somthana^{1*}, Yuki Eshita², Ratchanok Kumsiri^{3*}, Paron Dekumyoy⁴,
Jitra Waikagul⁴, Thareerat Kalambaheti^{5*} and Yaowapa Maneerat¹

¹Department of Tropical Pathology, ⁴Department of Helminthology, ⁵Department of Microbiology and Immunology, Faculty of Tropical Medicine, Mahidol University, Bangkok, Thailand; ²Department of Infectious Disease Control, Faculty of Medicine, Oita University, Oita, Japan; ³Pathobiology Unit, Department of Medical Science, Faculty of Science, Rangsit University, Pathum Thani, Thailand

The correction will also be made in the Journal Index for 2011.
