--	---

A clinicopathologic study of tuberculous epididymo-orchitis in Thailand .....	951
U Suankwan, N Larbcharoensub, W Viseshsindh, C Wiratkapun, P Chalermpanyakorn	
<b>Case report.</b> <i>Mycobacterium abscessus</i> lung disease in a patient with previous pulmonary tuberculosis .....	959
D Hongfei, H Xuerui, W Jing, C Naihui	
<b>Research note.</b> Identification of <i>Ehrlichia</i> spp in canines in Thailand .....	964
C Jirapattarasate, J Chatsiriwech, P Suksai, T Changbunjong, T Rawangchue, W Moonarmart, S Sungpradit	
Activity of virgin coconut oil, lauric acid or monolaurin in combination with lactic acid against <i>Staphylococcus aureus</i> .....	969
P Tangwatcharin, P Khopaibool	
<b>Research note.</b> The evaluation of antimicrobial susceptibility of urine enterococci with the Vitek 2 automated system in eastern Turkey .....	986
AK Sibel, M Köroğlu, AK Muharrem	
<b>Case report.</b> Disseminated histoplasmosis in a renal transplant child .....	992
S Wisanuyotin, A Jiravuttipong, S Siritunyaporn	
Parental support for sexual and reproductive health information and services for unmarried youth in Chengdu, China .....	997
N Cui, A-p Tian, M-x Li, IH Shah	
Influence of husband domestic support on maternal morbidity in rural Nepal .....	1009
D Wasti, A Lim, RS Pathak	
Three intervention levels for improving smoking behavior among Royal Thai Army conscripts .....	1018
P Pantaewan, M Kengganpanich, C Tanasugarn, S Tansakul, L Termsirikulchai, D Nityasuddhi	
Alcohol use behavior among undergraduates: a cross-cultural comparison between the United States and Sri Lanka .....	1025
B Perera, MR Torabi	
The legacy of war: an epidemiological study of cluster weapon and land mine accidents in Quang Tri Province, Vietnam .....	1035
TK Phung, L Viet, H Husum	
Household food security and buffering mechanisms in Thailand non-Thai households in Nong Loo Sub-district, Sangkhla Buri, Thailand .....	1042
MM Cho, J Knowles, S Atwood	
Effect of various forms of calcium in dental products on human enamel microhardness <i>in vitro</i> .....	1053
P Rirattanapong, K Vongsavan, R Surarit, N Tanaiutchawoot, V Charoenchokdilok, S Jeansuwannagorn, M Yoddee	
Prevalence of dentine hypersensitivity among Thai dental patients at the Faculty of Dentistry, Mahidol University .....	1059
T Tengrungsun, Y Jamornnium, S Tengrungsun	
Erratum .....	1065
