

THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 44

Number 1

January 2013

CONTENTS

Page

C-terminal polymorphism of <i>Plasmodium falciparum</i> merozoite surface protein-1 (MSP-1) from Tak Province, Thailand	K Viputtigul, N Tungpukdee, T Ruangareerate, N Luplertlop, P Wilairatana, J Gaywee, S Krudsood	1
Research note. Development of PCR-RFLP method to distinguish between <i>Cryptosporidium parvum</i> and <i>C. hominis</i> in Taiwan water samples	Y Lee, JC Tsaihong, Y Tseng, C Tsai, S Peng	13
Growth reduction among primary schoolchildren with light trichuriasis in Malaysia treated with albendazole	MH Tee, YY Lee, N Abdul Majid, N Mohamed Noori, S Mahendra Raj	19
Case report. Severe pentastomiasis in children: a report of 2 cases	F Ye, Z-K Sheng, J-J Li, J-F Sheng	25
T helper (TH) 1 and TH2 cytokine expression profile in dengue and malaria infection using magnetic bead-based Bio-Plex assay	P Maneekan, P Leungwutiwong, D Misse, N Luplertlop	31
Factors affecting dengue fever knowledge, attitudes and practices among selected urban, semi-urban and rural communities in Malaysia	SA Radman Al-Dubai, K Ganasegeran, M Rahman Alwan, M Ahmed Alshagga, R Saif-Ali	37
Research note. Acute hepatic failure among hospitalized Thai children	Y Poovorawan, V Chongsrisawat, F Shafi, I Boudville, Y Liu, Y Hutagalung, HL Bock	50
Economic impact of chikungunya epidemic: out-of-pocket health expenditures during the 2007 outbreak in Kerala, India	K Vijayakumar, B George, TS Anish, RS Rajasi, MJ Teena, CM Sujina	54
Ocular diseases among HIV/AIDS patients in Jakarta, Indonesia	YD Lestari, R Sitompul, L Edwar, Z Djoerban	62
Environmental factors affecting <i>Burkholderia pseudomallei</i> biofilm formation	W Kam-jumphol, S Chareonsudjai, P Chareonsudjai, S Wongratanacheewin, S Taweechaisupapong	72
Total leukocyte counts and neutrophil-lymphocyte count ratios among <i>Helicobacter pylori</i> -infected patients with peptic ulcers: independent of bacterial CagA status	A Jafarzadeh, V Akbarpoor, M Nabizadeh, M Nemati, MT Rezayati	82
Survey in Iran of clarithromycin resistance in <i>Helicobacter pylori</i> isolates by PCR-RFLP	N Sadeghifard, T Seidnazari, S Ghafourian, M Soleimani, A Maleki, MA Qomi, Z Sekawi	89
Antimicrobial susceptibility pattern of extended spectrum β -lactamase producing gram-negative bacteria isolated from wound and urine in a tertiary care hospital, Dhaka City, Bangladesh	R Farzana, SM Shamsuzzaman, KZ Mamun, P Shears	96
Research note. Community-acquired methicillin-resistant <i>Staphylococcus aureus</i> in a Malaysian tertiary centre	ZZ Rashid, N Bahari, A Othman, R Jaafar, NA Mohamed, I Jabbari, A Sulong, R Hashim, N Ahmad	104

Treatment of Japanese patients with enteric fever using azithromycin and MIC levels for causative organisms	K Ohnishi, K Kobayashi, S Iwabuchi, F Nakamura-Uchiyama	109
Development of single-strand conformational polymorphism to screen for mutations in hotspot regions of beta-globin gene of beta-thalassemia patients of Sri Lanka RS Dassanayake, K Mahadevan, YINS Gunawardene	114
Catastrophic health expenditure in an urban city: seven years after universal coverage policy in Thailand	J Weraphong, S Pannarunothai, T Luxananun, N Junsri, S Deesawatsripetch	124
