<p>Molecular epidemiology of <i>Blastocystis</i> sp in animals reared by the aborigines during wet and dry seasons in rural communities, Pahang, Malaysia SA Noradilah, TS Anuar, N Moktar, IL Lee, F Salleh, SNAA Manap, NSHM Mohtar, SM Azrul, WO Abdullah, SA Nordin, SR Abdullah</p>	1151
<p>Review. Chloroquine as a second line treatment for malaria in Lao PDR: risks and benefits D Duangdany, X Xu, W Yao</p>	1161
<p>Permot (<i>Passiflora foetida</i> Linn.) leaf extracts as bioinsecticide against <i>Aedes aegypti</i> larvae P Hastutiek, A Sunarso, RH Prasetyo</p>	1169
<p>Diversity, seasonal abundance and biting activity of <i>Anopheles</i> species in relation to climatic factors in northeastern Thailand P Poolphol, RE Harbach, P Sriwichai, W Srisuka, K Aupalee, K Taai, S Thongsahuan, S Uttamangkamong, R Phuackchantuck, N Morakote, P Somboon, A Saeung, U Chaithong</p>	1175
<p>Ovicidal and larvicidal properties of <i>Pergularia extensa</i> and <i>Spermacoce hispida</i> ethanol root extracts on <i>Anopheles stephensi</i> Liston D Abirami, K Kovendan, B Chandramohan</p>	1188
<p>Molecular epidemiological study on norovirus infection in two distinct hospitals in northeastern Thailand, 2013-2015 R Guntapong, K Ruchusatsawat, B Suwannakan, N Panthasri, W Kittiwongsunthorn, V Chaichitwanitkul, K Chumpon, R Tacharoenuang, P Singchai, S Upachai, M Boonchan, N Takeda, S Sangkitporn, K Motomura</p>	1200
<p>Monoclonal antibody-based latex agglutination for rapid identification of leptospires isolated from patient blood and rat kidney in Thailand P Ekpo, U Rungpanich, D Suwancharoen, D Phulsuksombath, V Wuthiekanun, Y Suputtamongkol</p>	1210
<p>Seroprevalence of leptospirosis among town service workers in Kelantan, Malaysia MA Zainuddin, N Ismail, SA Hassan, MN Shafei, MR Abdullah, ZW Mohamad, NA Yaacob, AM Nikman, A Daud, O Maizurah</p>	1222
<p>Factors associated with treatment outcomes of patients with extensively drug-resistant gram-negative infections treated with colistin combination therapy: a pilot study P Rotjanapan, P Kongprasom, P Bunupuradah, S Auparakitanon, J Krongvorakul, J Sueajai</p>	1230
<p>Research note. <i>Salmonella</i> prevalence, antibiograms and serotypes from chicken meat and egg in Khon Kaen city, Thailand P Neunchat, K Yangkao, N Earm-sa-ard, S Chatuphonprasert, J Wiwattrakul, J Manaijsin, N Polruang, A Sopa, P Sukon, K Kanistranon, S Khaeng-air, B Noppon</p>	1241
<p>Prevalence, virulence profiles, and genetic relationship of atypical enteropathogenic <i>Escherichia coli</i> O145 from beef, southern Thailand A Sae-lim, P Jearanai, P Rattanachuy, P Sukhumungoon</p>	1248
<p>Antibacterial effect of the water extract of <i>Houttuynia cordata</i> water extract against multi-drug resistant <i>Escherichia coli</i> J Li, M Rehman, H Zhang, MK Iqbal, K Mehmood, S Huang, F Nabi</p>	1260
<p>Epidemiology of <i>Moraxella catarrhalis</i> infections among Thai patients treated at Siriraj Hospital, Thailand during 2012-2015 C Tribuddharat, S Srfuengfung</p>	1267

Using clinical profile and initial laboratory results to differentiate leptospirosis, scrub typhus and dengue viral infections among children with an acute febrile illness	1274
..... S Assawawiroonhakarn, A Geater, K Laoprasopwattana	
Pneumococcal meningitis at a Thai hospital over a 10-year period: clinical outcomes, serotypes, and antimicrobial susceptibility patterns	1281
..... J Suphanklang, W Santimaleeworagun, S Thunyaharn, J Traipattanakul	
A survey of antibiotic self-medication and over the counter drug use among undergraduate medical students in Yogyakarta, Indonesia	1290
..... S Sandhu, Y Suryani, I Dwiprahasto, J Atthobari	
Risk factors and etiologies of clean and clean contaminated surgical site infections at a tertiary care center in Malaysia	1299
..... WJ Leong, H Hasan, Z Zakaria, MZH Ghazali, SAA Hamid, SA Hassan	
Prevalence of glucose 6-phosphate dehydrogenase deficiency and genetic mutations among Karen and Lao populations in Thailand	1308
..... A Kanchanavithayakul, K Prasittisa, P Kiat-Amornrak, M Chanda, P Kittiwatanasarn, I Nuchprayoon, CL Cheepsunthorn	
Relation between sitting time and sociodemographic factors of Japanese living overseas	1318
..... KP Izawa, K Oka	
Effect of fluoride varnishes enhanced with different calcium phosphate on microhardness of primary teeth	1325
..... P Rirattanapong, K Vongsavan, C Saengsirinavin, N Jantarakam	
Author index	1330
Subject index	1335
Errata	1338
