

ACKNOWLEDGEMENTS

The editors would like to express their sincere appreciation to the Division of infectious Diseases, Department of Internal Medicine, Faculty of Medicine, Chulalongkorn University and The Dengue Project Banpong-Photharam, Mahidol University, Bangkok, Thailand for organizing an education session on "Severe Dengue" during the 8th Asian Congress of Pediatric Infectious Diseases between 7-8 November, 2016 at the Queen Sirikit National Convention Center, Bangkok, Thailand and their kind support in the publication of these proceedings.

We are also grateful to the invited speakers and the authors of these proceedings for contributing their time, experience, and knowledge.
