

“ทุนวิจัยโครงการ iTPA ปี 2565 และ  
โปรแกรมสนับสนุนงานวิจัยสู่การใช้ประโยชน์ จาก  
iTP@MORU ประจำปี 2565”

15<sup>th</sup> MAR 2022

Dr. Maneerat Ekkapongpisit  
Translational Partnership Manager

# TropMed\_DC

## Project Funding Support

**Funding = 2MB**

**TropMed DC Seed Fund - 1MB**  
**iTP Pump-Priming – 1MB**

### Project Selection Criteria

- Business feasibility →  
Clear Technology Transfer Roadmap  
(Business Model)
- Technology feasibility
- Potential Partner/Collaborator

2-3 projects with full project funding support

Other support or small funding for support the project activities

### TIMELINE

Open for EOI	– Now- 18 Apr 2022
Proposal Development	- April-15 May2022
Review and Selection	- May 2022
Project Start	- June 2022

# Early Career Innovators Award

## Concept

- Failed Fast
- Test Concept Idea If work is feasible can give the big impact

## Examples projects:

Does a certain marker have diagnostic value in a specific disease? Can it predict patient severity?

Can an already approved and developed drug be repurposed to treat another disease.

Development of a new tool to use in lab or during treatment

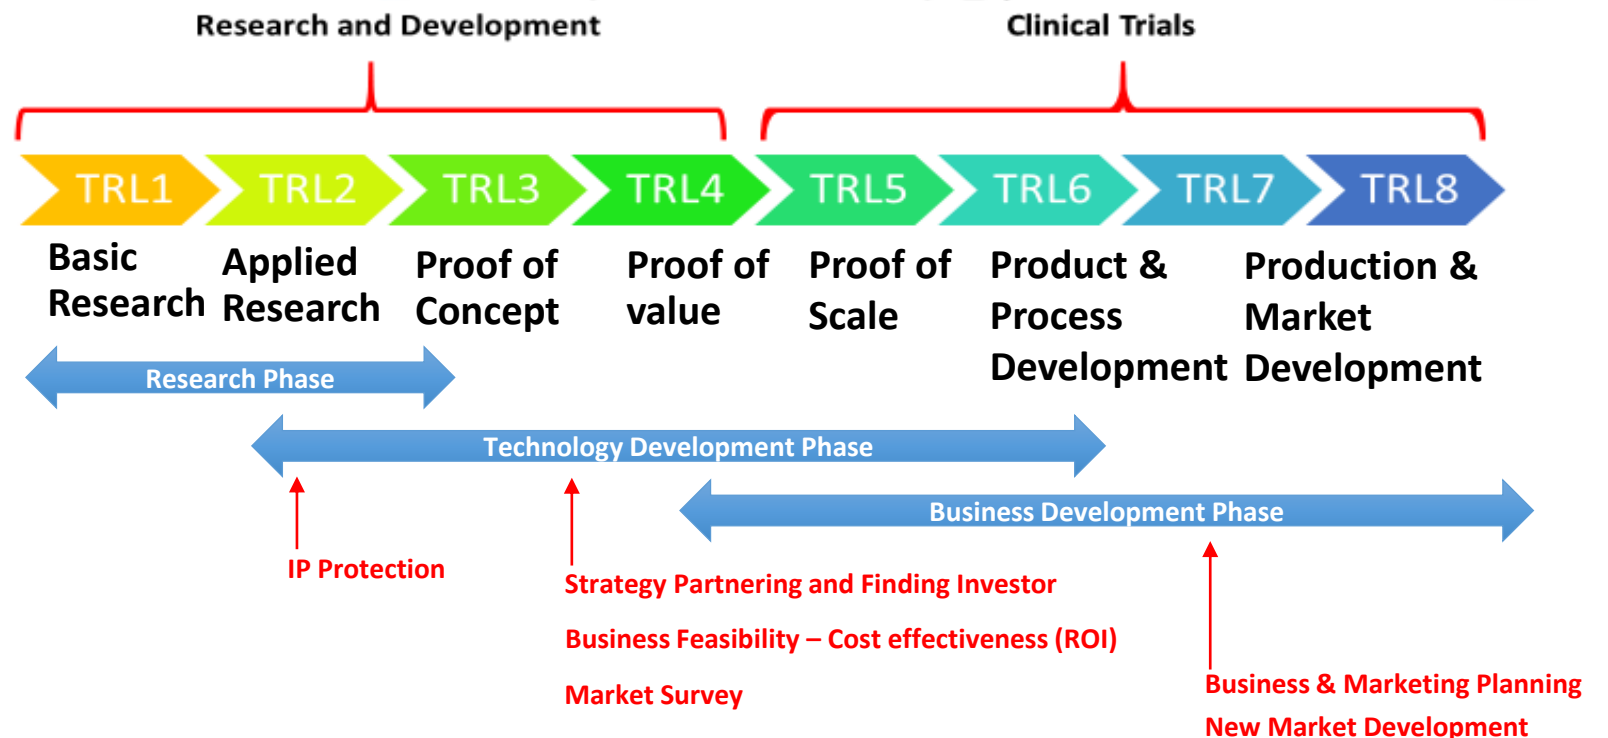

**Up to 200K THB per award**  
**3-6 months project**

## Eligible criteria - Who can apply

- Post docs who have yet to receive any external funding.
- Research Techs and Lab assistants.
- Master students.
- Phd students.
- No PI level researchers.
- No Post docs who have their own grants.

# Technical Support Award

- Apply all year round until the budget in this portion is finished
- Support specific activities which help to accelerate on-going translational research project or Application to Translational Research Funding e.g.
  - Prototype development
  - Specific test e.g toxicology, biocompatibility, Patentability analysis
  - Market research, Market positioning
  - IP due diligence
  - Expertise time
- Not more than 300K THB

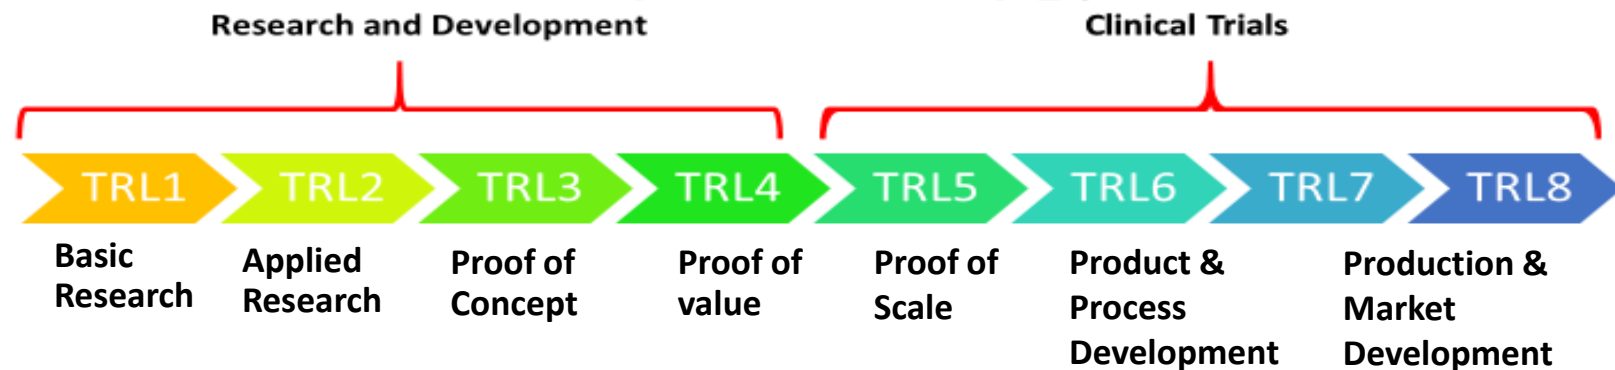

## Faculty of Tropical Medicine-institutional Translational Partnership Award (FTM-iTPA)

A 1-year grant translational research for Faculty of Tropical Medicine staffs.

- Professors
- Researchers
- Students
- Hospital staffs

**Coming soon**

**Q&A**  
**THANK YOU**
