

## SUBJECT INDEX

	Page		Page
Abstracts	315, 463, 603	Capillariid-like eggs in livers of bats,	
Acanthocephala: infection in a human	303	Indonesia	599
Adenovirus, type 11 : conjunctivitis in Taiwan	342	Carcinoma of liver, treatment with nitrogen mustard	96
Adenovirus, type 11 : epidemic conjunctivitis in Singapore	333	Cat, <i>Ancylostoma braziliense</i> in	31, 230
<i>Aedes</i> mosquito surveillance in Vietnam	569	Cat, heterophyid parasites of	547
Amoebiasis asymptomatic intestinal, immunological tests	359	Chloramphenicol in typhoid fever	19
<i>Ancylostoma braziliense</i> in dogs and cats	31, 230	Chloroquine-resistant malaria survey, Sumatra	574
<i>A. caninum</i> : scanning electron microscopy	519	Chloroquine resistant <i>P. falciparum</i> , Indonesia	184
<i>A. duodenale</i> : scanning electron microscopy	515	Clinical investigations, filariasis on Kinmen Islands	398
<i>A. tubaeforme</i> : electron microscopy	519	Comparison, quinine and chloroquine in falciparum malaria	128
Anaemia, nutritional, Philippines	90	Conjunctivitis, adenovirus type 11, Singapore	333
<i>Angiostrongylus cantonensis</i> in rats, Saigon	29	Conjunctivitis, adenovirus type 11, Taiwan	342
<i>A. cantonensis</i> in rats, Jakarta	236	<i>Culex pipiens fatigans.</i> , age-grading	76
<i>A. malaysiensis</i> Bhaibulaya & Cross, 1971, validity	374	Dehydroemetine in opisthorchiasis	581
<i>A. malaysiensis</i> in rats and <i>Tupaia</i> , Malaysia	379	Dicrofilariasis in dogs, immunologic response	480
Arbovirus, group B: antibodies in pigs	1	Dogs, <i>Ancylostoma braziliense</i> in	31, 230
Axenic cultivation of <i>Entamoeba histolytica</i>	365	<i>Echinostoma malayanum</i> in biocontrol of <i>S. spindale</i>	46, 60
Bats, <i>Capillaria</i> - like eggs in, Indonesia	599	<i>Echinococcus granulosus</i> in dogs, Sulawesi	385
Biological control of <i>Schistosoma spindale</i>	46, 60	Ecology, epidemiology: mangrove areas	105
Bithionol therapy in human paragonimiasis	39	Editorial notice	170, 475, 620
Biotreatability of industrial wastewaters	290	Electrophoresis of serum in opisthorchiasis	435
Blood volume in hookworm infection	310	Epidemic haemorrhagic conjunctivitis, Taiwan	342
<i>Breinvia booliati</i> in wild rats, Sarawak	22	<i>Entamoeba histolytica</i> from liver abscesses	365
<i>Brugia malayi</i> infection of human eye	226	Enteroviruses: typing by microculture method	477
<i>Capillaria philippinensis</i> in human and gerbil hosts	524	Erythrocyte, ATP level in <i>P. berghei</i> malaria	492
Capillariasis, intestinal, ultrastructural studies	524		
			617

	Page		Page
Experimental <i>A. braziliense</i> infection in dogs.	31, 230	Malaria, falciparum, serum folate absorption	353
<i>Fasciolopsis buski</i> , treatment with niclosamide	556	Malaria, gastrointestinal function	499
<i>F. buski</i> , <i>in vitro</i> cultivation	252	Malaria in Bada and Gimpu, Sulawesi	534
Filariasis, Kinmen Islands	211, 398	Malaria, Poso Valley, Sulawesi	368
Folate levels in Thai blood donors	313	Malnutrition and anaemia in Filipino children	265
Gastrointestinal function in falciparum malaria	499	Mammals from South and East Kalimantan	390
Gerbils, <i>Capillaria philippinensis</i> in	524	Mangroves: medical-ecological epidemiology	105
Haptoglobin levels in liver diseases	601	Mebendazole in treatment of polyparasitism	258
Heterophyid parasites of cats, Northern Thailand	547	Medical ecological epidemiology in mangrove areas	105
Hookworm: scanning electron microscopy	510	Microfilariae in blood samples: methods for detection	197
Human intestinal parasites, Laos	541	Microfilarial granuloma of the spleen	223
Hypoxic stress and bacterial infection	190	<i>Necator americanus</i> : scanning electron microscopy	510
Immunological tests in asymptomatic amoebiasis	359	Neonatal and maternal deaths, Philippines	280
Infant mortality rates, Sarawak	424	Niclosamide in <i>Fasciolopsis buski</i> infection	556
Insecticide toxicities for guppies and mosquitoes	299	Nitrogen mustard, treatment of liver carcinoma	96
Intestinal absorption of amino acid and D-xylose	273	New hosts of <i>A. malaysiensis</i> , Malaysia	379
Intestinal parasites and malaria, Poso Valley, Sulawesi	368	News from SEAMEO-TROPED Project	156, 317, 466, 605
<i>In vitro</i> cultivation of <i>Fasciolopsis buski</i>	252	Nutritional anaemia in Filipino infants	90
Japanese encephalitis: follow-up study	560	Opisthorchiasis: treatment with dehydroemetine	581
Japanese encephalitis vectors; isolation of virus	408	<i>Paragonimus</i> and paragonimiasis, Philippines	39
Laboratory demonstrations	132, 453	<i>Paragonimus westermani</i> : utilization of carbohydrate	450
Leprosy, Southeast Asia	65	<i>Plasmodium falciparum</i> in <i>Macaca philippinensis</i>	186
Leptospira antigen: MA and SEL tests	12	<i>P. berghei</i> , ATP levels in	492
Levamisole on development of <i>Breintia sergenti</i>	579	<i>P. falciparum</i> , chloroquine resistant, Indonesia	184
Liver disease, haptoglobin levels	601	<i>P. falciparum</i> , quinine and chloroquine in Pigs, arbovirus group B antibodies in	1
<i>Macaca philippinensis</i> : model for <i>P. falciparum</i> malaria	186		
<i>Macracanthorhynchus hirudinaceus</i> : human infection	303		

SUBJECT INDEX

	Page		Page
Pigs, <i>Toxoplasma</i> in	350	<i>Schistosoma spindale</i> , biocontrol by	
Poliomyelitis vaccination, Thailand	171	<i>Echinostoma malayanum</i>	46, 60
Polyacrylamide gel electrophoresis of		Schistosomiasis, Napu Valley, Sulawesi	246
serum in opisthorchiasis	435	Scrub-typhus antibodies, mammals,	
Postgraduate courses at the National		Sabah	80
Centres	169, 329, 612	Selenium sulfide treatment of <i>Tinea flava</i>	70
Protein calorie malnutrition and		Serum folate and folic absorption in	
trichinosis	586	<i>falciparum</i> malaria	353
Protein calorie malnutrition, Malaysia	85	Swine toxoplasmosis and	
Proteolytic enzymes in <i>Plasmodium berghei</i>		haemagglutinating antibody	4
infected erythrocytes	447	<i>Tinea flava</i> , treatment with Selenium	
<i>Pseudomonas pseudomallei</i> infection in		sulfide	70
Thailand	487	Tetanus in South Vietnam: a review	430
Quinine absorption and parasite		<i>Toxoplasma</i> antibody in Tahitians and	
response in malaria	499	Chinese	350
Quinine fever in <i>falciparum</i> malaria	413	Toxoplasmosis in pigs, Philippines	9
Quinine resistant <i>falciparum</i> malaria,		Trematode antagonism	46, 60
Thailand	504	<i>Trichomonas vaginalis</i> : isolation	
Rats, <i>Angiostrongylus in</i>	236	technique	179
Rats, <i>Angiostrongylus cantonensis</i> , Saigon	29	Trimethoprim-sulphamethoxazole in	
Rats, <i>A. cantonensis</i> , Jakarta	236	typhoid fever	17
Rats, <i>A. malaysiensis</i> , Malaysia	379	Tuberculosis, Sarawak	417
Rats, <i>Breinlia booliati</i> , Sarawak	22	Typhoid fever, treatment with	
Rats, <i>Sarcocystis</i> , in	451	trimethoprim-sulphamethoxazole	17
Renal function, xylose tolerance test	593	Ultrastructural studies of intestinal	
Riboflavin excretion in Filipino women	439	capillariasis	524
<i>Sarcocystis</i> from rats, Sulawesi	451	Xylose tolerance test and renal function	593
Scanning electron microscopy of			
hookworms	510, 515, 519
