

THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 14

June 1983

Number 2

	Page
Multiple strains of <i>Plasmodium falciparum</i> are necessary for the growth inhibition assay J. PATARAPOTIKUL, S. THARAVANIJ and C. POONTHONG	149
Analysis of antigens from different developmental stages of <i>Angiostrongylus cantonensis</i> A. DHARMKRONG-AT and S. SIRISINHA	154
<i>Schistosoma incognitum</i> and its zoonotic potential role in Phitsanulok and Phichit provinces, Northern Thailand T. BUNNAG, S. THIRACHANDRA, P. IMPAND, P. VORASANTA, and S. IMLARP	163
Serum levels of a filaricide, diethylcarbamazine citrate in cats following different routes of administration G.R. HILLMAN, L. WESTERFIELD, A. EWERT and YUNG-XIANG WANG	171
Proteolytic - independent cobra neurotoxin inhibiting activity of <i>Curcuma</i> sp. (Zingibe- raceae) C. CHERDCHU and E. KARLSSON	176
Improved method, using staphylococcal beta-hemolysin for detection of hemolysin (s) produced by <i>V. cholerae</i> biotype El Tor R.C. ROCKHILL, M. LESMANA and A. MOECHTAR	181
Cerebrospinal fluid lactate level in childhood purulent meningitis N. VANPRAPAR, B. CHAVALITTAMRONG and N. LUNSATHAYURAT	186
Diagnosis of gonorrhoea using a genetic transformation test at a Venereal disease clinic in Bangkok S. SANGUE, A. MCFARLAND, C. DUANGMANI, P. ECHEVERRIA and L. ZUBRZYCKI	191
Herpes simplex virus and genital infections in Thai pregnant women S. TANTIVANICH, S. SUPAVEJ, O. CHITYOTHIN, A. KATEPUNYA and S. THARAVANIJ	195
Heavy metal and disinfectant resistance in clinical isolates of Gram-negative rods S.Y. KHOR and M. JEGATHESAN	199
Experiments in crossing two strains of <i>Anopheles barbirostris</i> Van der Wulp 1884 (Diptera : Culicidae) in Thailand W. CHOOCHOTE, S. SUCHARIT and W. ABYEYEWICKREME	204
Unusual manifestations of Salmonella infection V. LAOSOMBAT and S. DHARMASAKTI	210

	Page
Field trial on the treatment of fasciolopsiasis with praziquantel	
. D. BUNNAG, P. RADOMYOS and T. HARINASUTA	216
Treatment of falciparum malaria with intramuscular quinine in a rural area of Thailand	
. T. CHONGSUPHAJASIDDHI, V. DAURUAG, V. PATCHARAKESSAKUL, V. KITTIVATTANAKUL, B. DULYASAKDI and W. RIDTHIMAT	220
<i>Heplorchis pumilio</i> (Looss) infection in man in Northeastern Thailand	
. P. RADOMYOS, D. BUNNAG and T. HARINASUTA	223
Chloroquine resistant <i>Plasmodium falciparum</i> : Effect of rabbit serum and incubation time on the <i>in vitro</i> (microtechnique) prediction of <i>in vivo</i> resistance	
. L.L. SMRKOVSKI, A. ALCANTARA, R.L. BUCK, N.E. SY, C.S. RODRIGUEZ, P.S. MACALAGAY and C.B. UYLANGCO	228
Seroepidemiology of malaria in Northern Thailand	
. B.B. JACOBS, U. CHITPRAROP and C. KHAMBOONRUANG	235
Humoral immune responses in hamsters infected with <i>Opisthorchis viverrini</i>	
. S. SIRISINHA, S. TUTI, S. VICHASRI and A. TAWATSIN	243
HBeAg and anti-HBe in the Malaysian population and in Malaysian prisoners	
. S.H. TON, C.G. LOPEZ and R. NORIAH	252
A study of commensal rodents and shrews with reference to parasites of medical importance in Chantaburi province, Thailand	
. M. CHENCHITTIKUL, S. DAENGPIUM, M. HASEGAWA, T. ITOH and B. PHANTHUMACHINDA	255
<i>Microphalloides vajrasthira</i> n. sp. (Digenea: Microphallidae) from the small intestine of cat in Thailand	
. J. WAIKAGUL	260
Research Notes	264
