

# THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 15

March 1984

Number 1

## CONTENTS

	Page
HLA antigens and malaria at San Lazaro Hospital, Manila, Philippines . . . . . . . . . . N.E. SY, G.W. LONG, A.K. ALCANTARA, C.P. RANO and J.H. CROSS	1
Cross resistance of pyrimethamine and sulfadoxine to their related compounds in <i>Plasmodium falciparum</i> . . . . . . . . . . P. TAN-ARIYA and C. BROCKELMAN	7
Sporozoite-induced <i>Plasmodium cynomolgi</i> infections in captive born <i>Macaca fascicularis</i> . . G.S. WARD, P. HANSUKJARIYA, S. WONGSEPRADIT, R.G. ANDRE and D.E. DAVIDSON	12
Mosquito fauna of the Bengkoka Peninsula, Sabah, Malaysia . . . . . . . . . . W.H. CHEONG, K.P. LOONG, S. MAHADEVAN, J.W. MAK and S.K.P. KAN	19
The effect of interferon on Flaviviruses <i>in vitro</i> : A preliminary study . . . . . . . . . . S. VITHANOMSAT, C. WASI, C. HARINASUTA and P. THONGCHAROEN	27
Atypical lymphocyte in dengue hemorrhagic fever: its value in diagnosis . . . . . . . . . . U. THISYAKORN, S. NIMMANITYA, V. NINGSANOND and S. SOONGARUN	32
Antimicrobial resistance and conjugative R plasmids in <i>Escherichia coli</i> strains isolated from animals in Peninsular Malaysia . . . . . . . . . . CHONG-LEK KEH and CHOY-HAR KOK	37
Albendazole in the treatment of opisthorchiasis and concomitant intestinal helminthic infections . . . . . . . . . . S. PUNGPAK, D. BUNNAG and T. HARINASUTA	44
The 1982 Dengue epidemic in Malaysia: epidemiological, serological and virological aspects . . . . . . . . . . R. FANG, E. LO and T.W. LIM	51
Counterimmunoelectrophoresis in the rapid diagnosis of bacterial meningitis . . . . . . . . . . S. SIVAKUMARAN, S. AIYAR, M. NADARAJAH and K.T. THONG	59
Infection rates of respiratory syncytial virus in pediatric patients attending Phra Mongkut- kiao Hospital, Bangkok . . . . . . . . . . S. TANTIVANICH, O. CHITYOTHIN and S. THARAVANIJ	63
Characterization and distribution of the cell-bound haemagglutinins produced by <i>Vibrio cholerae</i> . . . . . . . . . . M.S. BANDHAYA and M. CHULASAMAYA	68

	Page
Plasma level of diethylcarbamazine in jirds and hamsters . . . . .	
. . . . . E. KIMURA, Y. AOKI, Y. NAKAJIMA and M. NIWA	74
Prevalence of <i>Toxoplasma</i> antibodies in Chiang Mai population	
. . . . . N. MORAKOTE, W. THAMASONTHI, K. CHARUCHINDA and C. KHAMBOONRUANG	80
Susceptibility of snail vectors to Oriental anthropophilic <i>Schistosoma</i> . . . . .	
. . . . . H.C. YUAN, E.S. UPATHAM, M. KRUAETRACHUE and V. KHUNBORIVAN	86
Alterations of the surface tegument of <i>Opisthorchis viverrini</i> exposed to praziquantel <i>in vitro</i> and <i>in vivo</i> . . . . .	
. . . . . S. SIRISINHA, S. PUENGTOMWATANAKUL, P. SOBHON, P. SAITONGDEE <i>et al.</i>	95
Insecticide susceptibility studies of three cryptic species of the <i>Anopheles balabacensis</i> complex . . . . .	
. . . . . J. L. K. HUI	104
G-6-PD deficiency in the Pootai and the So communities in Northeast Thailand . . . . .	
. . . . . V. PRASONGWATANA, P. SRIBOONLUE, N. MULAREE <i>et al.</i>	112
Toxic Shock Syndrome associated with phage group III <i>Staphylococcus aureus</i> . . . . .	
. . . . . SANGA TANTULAVANICH and BOONMEE SATHAPATAYAVONGS	115
Prioderm lotion in the treatment of scabies . . . . .	
. . . . . M. THIANPRASIT and R. SCHUETZENBERGER	119
Radiological findings in pulmonary paragonimiasis heterotremus . . . . .	
. . . . . S. VANJANONTA, D. BUNNAG and T. HARINASUTA	122
Investigation of the haemolytic effects of <i>Ancylostoma ceylanicum</i> : Observations on infected dogs <i>in vivo</i> and human and dog blood <i>in vitro</i> . . . . .	
. . . . . S.M. CARROLL, J. PRYOR, D.W. KENNETT and D.I. GROVE	129
Research Notes . . . . .	135
