

THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 16

June 1985

Number 2

CONTENTS

	Page
Intense transmission of Japanese encephalitis virus to pigs in a region free of epidemic encephalitis	
. D.S. BURKE, M. TINGPALAPONG, G.S. WARD <i>et al.</i>	199
Rubella outbreak in Thailand 1983-1984: A study at Siriraj Hospital	
. P. PUTHAVATHANA, C. WASI, U. KOSITANONT <i>et al.</i>	207
The <i>in vivo</i> and <i>in vitro</i> sensitivity of <i>Plasmodium falciparum</i> to quinine	
. MYINT LWIN, YE HTUT and MYINT OO	214
Electron microscopy of human brain in cerebral malaria	
. E. PONGPONRATN, M. RIGANTI, T. HARINASUTA and D. BUNNAG	219
Dose finding double-blind clinical trial with praziquantel in schistosomiasis japonica patients	
. CHEN MINGGANG, HUA XIANGJIN, WANG MINGJIE <i>et al.</i>	228
Enzyme-linked immunosorbent assay for detection of <i>Opisthorchis viverrini</i> infection	
. P. SRIVATANAKUL, V. VIYANANT, S. KURATHONG and D. TIWAWECH	234
Effects of cyromazin and methoprene on the developmental stages of <i>Anopheles dirus</i> , <i>Aedes aegypti</i> and <i>Culex quinquefasciatus</i> (Diptera: Culicidae)	
. T. PHONCHEVIN, E.S. UPATHAM, B. PHANTHUMACHINDA <i>et al.</i>	240
Studies on the chemotherapy of human opisthorchiasis: Effective dose of praziquantel in heavy infection	
. S. PUNGPAK, D. BUNNAG and T. HARINASUTA	248
Low dose tinidazole in the treatment of amoebic liver abscess	
. S. VANJANONTA, D. BUNNAG, S. LOOAREESUWAN <i>et al.</i>	253
Cryptosporidiosis in Philippine children	
. J.H. CROSS, A. ALCANTARA, L. ALQUIZA <i>et al.</i>	257
A CAMP phenomenon between <i>V. cholerae</i> biotype El Tor and staphylococcal β hemolysin	
. M. LESMANA and R.C. ROCKHILL	261
An evaluation of alkalive peptone water for enrichment of <i>Vibrio cholerae</i> in feces	
. M. LESMANA, R.C. ROCKHILL, D. SUTANTI and A. SUTOMO	265
Doxycycline prophylaxis for experimental leptospira infection in non-human primates and hamsters	
. M.R. ELWELL, G.S. WARD, P. HANSUKJARIYA and M. TINGPALAPONG	268

	Page
ELISA for immunodiagnosis of human gnathostomiasis	
. P. SUNTHARASAMAI, V. DESAKORN, S. MIGASENA <i>et al.</i>	274
Hepatitis B virus infection in Thai hemodialysis patients	
. S. PHANICHPHANT, P. MEKSWASDI and J. CHARUVICHITRATANA	280
Alterations in capillary permeability in rhesus monkeys with <i>Plasmodium knowlesi</i> infection	
. S. AREEKUL	285
Pure red cell aplasia in Thailand: Report of twenty four cases	
. S. JOOTAR, T. SRICHAIKUL and V. ATICHARTAKARN	291
<i>In vitro</i> sensitivity of <i>Plasmodium falciparum</i> to sulfadoxine and pyrimethamine	
. W. KLINKAEWNARONG, T. CHONGSUPHAJASIDDHI, A. SABCHAREON <i>et al.</i>	296
Immunological evaluation of cell-mediated and humoral immunity in Thai patients with cerebral and non-cerebral <i>Plasmodium falciparum</i> malaria. 1. Cutaneous delayed hypersensitivity, blood leucocytes and <i>in vitro</i> lymphocyte responses	
. P. BRASSEUR, J.J. BALLET, P. DRUILHE, M.J. WARRELL <i>et al.</i>	302
Immunological evaluation of cell-mediated and humoral immunity in Thai patients with cerebral and non-cerebral <i>P. falciparum</i> malaria: II Evolution of serum levels of immunoglobulins, antimalarial antibodies, complement fractions and alpha interferon	
. A. FRIBOURG-BLANC, P. DRUILHE, P. BRASSEUR <i>et al.</i>	307
Recent advances in immunology of malaria	
. SAVANAT THARAVANIJ	314
The effect of Interferon-alpha A on two cases of Japanese encephalitis in Thailand	
. C. HARINASUTA, S. NIMMANITAYA and U. TITSYAKORN	332
Correlation of population indices of female <i>Culex tritaeniorhynchus</i> with Japanese encephalitis viral activity in Kapuk, Indonesia	
. J.G. OLSON, T.G. KSIAZEK, R. TAN <i>et al.</i>	337
Research Notes	343
