

THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 16

September 1985

Number 3

CONTENTS

	Page
Serologic evidence of Hantaan-like virus in rodents and man in Thailand M.R. ELWEL, G.S. WARD, M. TINGPALAPONG and J.W. LEDUC	349
Antibodies against circumsporozoite proteins of <i>Plasmodium falciparum</i> induced by natural infection P. TAPHAISRI, P. DEKUMYOY, A. ASAVANICH <i>et al.</i> ,	355
Assessment of validity of counterimmunoelectrophoresis test and ELISA in the routine diagnosis of amoebiasis. P. SAMREJONGROJ and S. THARAVANIJ	365
Antibody responses to heat-killed, phenol preserved parenteral typhoid vaccine W. CHAICUMPA, Y. WECHASATHANARAK, S. TANTIVANICH and W. PLEUKSAWAN	371
A comparison of counterimmunoelectrophoresis and indirect heamagglutination tests for the immunoepidemiological investigation of kala-azar N.I. KHAN and R.S. DESOWITZ	377
Introduced Leishmaniasis on Taiwan J.H. CROSS, J.J. GUNNING, D.J. DRUTZ and J.C. LIEN	381
Use of ^{99m} Tc-sulfur colloid to assess lymphatic dysfunction in filarial infection V.K. JENKINS, A. EWERT, R.F. JOHNSON Jr. and D.S. FOLSE	387
Adverse reactions to a single dose of diethylcarbamazine in patients with <i>Brugia malayi</i> infection in Riau province, West Indonesia I. SUTANTO, P.F.L. BOREHAM, M. MUNAWAR <i>et al.</i> ,	395
The impact of schistosomiasis mass treatment on hepato-splenomegaly in Napu Valley, Central Sulawesi, Indonesia P. HADIDJAJA, N. SYAMSUDDIN, I.S. ISMID <i>et al.</i> ,	401
Clinical features in severe opisthorchiasis viverrini S. PUNGPAK, M. RIGANTI, D. BUNNAG <i>et al.</i> ,	405
An obstinate case of intestinal capillariasis A.K. ALCANTARA, C.V. UYLANGCO and J.H. CROSS	410
Susceptibility to varicella-zoster virus in Thai children and young adults U. KOSITANONT, C. WASI, P. OONSOMBAT <i>et al.</i> ,	414

	Page
Therapy related acute non-lymphocytic leukemia: Report of 4 cases	
. V. ATICHARTAKARN, B. PUNYAMALEE and P. NITIYANANT	421
Acetylcholinesterase activities in cerebrospinal fluid of patients with <i>Plasmodium falciparum</i> cerebral malaria	
. S. AREEKUL, K. CHURDCHU and P. YAMARAT	431
Treatment of cysticercosis with praziquantel at the Bangkok Hospital for Tropical Diseases	
. S. VANIJANONTA and D. BUNNAG	435
Survey for soil-transmitted helminths in Asahan Regency, North Sumatra, Indonesia	
. J. IMAI, O. SAKAMOTO, F. EZRA MUNTHE and S. SINULINGGA	441
Chronic diarrhoea: A prospective study in Thai patients at Chulalongkorn University Hospital, Bangkok	
. S. MANATSATHIT, S. ISRASENA, N. KLADCHAROEN <i>et al.</i> ,	447
<i>In vitro</i> sensitivity of <i>Plasmodium falciparum</i> isolates from Burma to chloroquine, quinine and mefloquine	
. MYINT LWIN and MIN ZAW	453
Biochemical aspects of drug action and resistance in malaria parasites	
. Y. YUTHAVONG, B. PANIJPAN, P. RUENWONGSA and W. SIRAWARAPORN	459
Chemotherapy of schistosomiasis japonica in China	
. CHEN MINGGANG	473
Medically important snails of Kinmen (Quemoy) Islands	
. D. CHAO, YU-PO HSU and PING-CHIN FAN	480
Experimental infection of subperiodic <i>Brugia malayi</i> in laboratory rats with emphasis on evaluation by four techniques	
. P.C. FAN, C.C. WU, C.M. HO <i>et al.</i> ,	485
Optimum age for measles immunization in Malaysia	
. S.T. CHEN and S.K. LAM	493
Actue <i>Pseudomonas pseudomallei</i> pneumonia and septicemia following aspiration of contaminated water: A case report	
. V. ACHANA, K. SILPAPOJAKUL, W. THININTA and S. KALNAOWAKUL	500
Human infection with <i>Bertiella studeri</i> in Thailand	
. MANOON BHAIBULAYA	505
Report of <i>Episthmium caninum</i> (Verma, 1935) Yamaguti, 1958 (Digenea: Echinostomatidae) in man	
. P. RADOMYOS, D. BUNNAG and T. HARINASUTA	508
Research Notes	512
