

THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 19

June 1988

Number 2

CONTENTS

	Page
Biotechnology and visceral Leishmaniasis in the World Health Organization's Southeast Asian Region: Research and reality..... ROBERT S. DESOWITZ	163
Simple serological tests for detecting classical heat labile enterotoxin (LT-I) of <i>Escherichia coli</i> W. CHAICUMPA, S. SAE ER, M. CHONGSA-NGUAN and P. ECHEVERRIA	175
Hemolysin production by <i>Leptospira interrogans</i> serovar canicola in a protein-free medium with hemin..... E.M. LANE, R.F. RAMALEY and N.G. MILLER	187
High prevalence of delta virus infection in Thai intravenous drug abusers..... S. LOUISIROTCHANAKUL, C. WASI, C. UNEKLABH <i>et al.</i>	191
A serologic survey of rice-field leptospirosis in Central Luzon, Philippines L.P. PADRE, G. WATT, M.L. TUAZON <i>et al.</i>	197
Serodiagnosis of human gnathostomiasis W. MALEEWONG, N. MORAKOTE, W. THAMASONTHI <i>et al.</i>	201
A study of Bancroftian filariasis on the islands of Batan and Rapu Rapu, Philippines G.W. SCHULTZ	207
Incidence of bacteremia in patients with opisthorchiasis during recurrent cholangitisS. PUNGPAK, D. BUNNAG, T. HARINASUTA and U. VONGSTHONGSRI	215
Antibody responses in human gnathostomiasis C. NOPPARATANA, P. TAPCHAI SRI, P. SETASUBAN <i>et al.</i>	219
Platelet dysfunction in malaria T. SRICHAIKUL, C. PULKET, T. SIRISATEPISARN and W. PRAYOONWIWAT	225
Inhibition of tolbutamide metabolism by antimalarial drugs J. KARBWANG, D.J. BACK, D. BUNNAG and A.M. BRECKENRIDGE	235
Epidemiology of malaria in displaced Khmers on the Thai-Kampuchean border S.R. MEEK	243

Falciparum malaria and pregnancy: relationship and treatment response	253
..... THET NAING, HLA WIN and YIN YIN NWE	
Bionomics of <i>Anopheles maculatus</i> complex and their role in malaria transmission in Thailand	259
..... E.S. UPATHAM, C. PRASITTISUK, S. RATANATHAM <i>et al.</i> ,	
A study of dispersal, survival and gonotrophic cycle estimates of <i>Mansonia uniformis</i> in an open swamp ecotype.....	271
..... G.L. CHIANG, K.P. LOONG, S. MAHADEVAN and K.L. ENG	
Bionomics of <i>Anopheles minimus</i> and its role in malaria transmission in Thailand	283
..... S. RATANATHAM, E.S. UPATHAM, C. PRASITTISUK <i>et al.</i> ,	
Investigation of the causes of suboptimal haemoglobin response to iron supplementation	291
..... P. CHAROENLARP, S. SRINOPHAKHUN, P. POOTRAKUL <i>et al.</i>	
Serum protease inhibitors in opisthorchiasis, hepatoma, cholangiocarcinoma and other liver diseases	299
..... S. CHANGBURNRUNG, P. MIGASENA, V. SUPAWAN <i>et al.</i>	
Aeromonas infection following a snake bite: A case report	307
..... U. THISYAKORN and C. THISYAKORN	
Childhood melioidosis in Northeastern Thailand	309
..... V. PONGRITHSUKDA, N. SIMAKACHORN and J. PIMDA	
Epidemiology and characterization of leptospirosis at an urban and provincial site in Thailand	317
..... G.B. HEISEY, S. NIMMANITYA, C. KARCHANACHETANEJ <i>et al.</i>	
Localization of arboviral antigen in brain tissues from patients with encephalitis.....	323
..... J.J. RODRIGUES, N.J. SHAIKH, D.A. GADKARI <i>et al.</i>	
Surveillance of food poisoning outbreaks in Thailand 1981–1986	327
..... W. SWADDIWUTHIPONG, A. ITTIRAVIVONGS, P. KUNASOL and S. RNERK–GAM	
Research Notes	333
