

SUBJECT INDEX

<i>Aedes aegypti</i> , dengue-2 susceptibility, effect of malathione	664	Dengue, Japanese encephalitis virus antigen detection	718
<i>Aedes aegypti</i> , <i>Aedes albopictus</i> habitats, Sulawesi	844	Dengue surveillance, Manila	530
AIDS, attitudes, sexual practices, transvestites	525	Dengue virus, transovarial transmission	230
<i>Anopheles dirus</i> habitats, Assam	610	Dengue-2 virus and <i>Aedes aegypti</i> , India	126
Anopheline mosquitos in Lao PDR	615	Dengue-3 virus, E/NS1 gene sequences	380
<i>Anopheles sinensis</i> , betacyfluthrin efficacy	233	DHF, treatment seeking behavior, Thailand	351
Antimalarial, new, phase II trial, China	476	Diarrhea of childhood, enterotoxigenic <i>E. coli</i>	114
Artemether, ECG effect in severe falciparum malaria	472	Diarrhea under reporting in Thailand	391
Artemether, multicenter trial, India	736	Duffy blood groups in Thai ethnic groups	32
Artesunate, artemether plus mefloquine in multidrug resistant malaria	465	<i>Echinochasmus fujianesis</i> , medicated salt treatment	344
<i>Bacillus sphaericus</i> , slow release, <i>Culex</i> control	203	<i>Edwardsiella tarda</i> , bacteremia and septic arthritis	669
Betacyfluthrin efficacy, <i>Anopheles sinensis</i>	233	Empyema, Cambodia	801
Biomarker multicollinearity	404	Epstein-Barr virus antibody and social class	434
Birthweight, low, maternal factors	873	Etofenpox residual insecticide trial	851
<i>Bithynia funiculata</i> snail antigens in opisthorchiasis	593	Fenthion, biodegradable release, <i>Mansonia</i> control	208
<i>Blattella germanica</i> , Malaysian, insecticide resistance	212	Filariasis, lymphatic, streptococcal infection	826
Breast disease, benign and malignant, gene amplification	631	Filariasis, surveillance, Guangdong	588
<i>Burkholderia pseudomallei</i> , binding to ceremides	781	Filariasis, surviving microfilaremia, transmission	308
<i>Burkholderia pseudomallei</i> , Thailand	107	Fire, playing with, environmental health	675
<i>Centrocestus caninus</i> , human infection, Thailand	831	Fungal nosocomial infections, pediatric	191
Chikungunya in Thailand	359	<i>Haemadipha japonica</i> and visceral bleeding	669
Cholera in Vietnam	69	<i>Haemophilus influenzae</i> combination vaccine	91
Cholesterol : high density lipoprotein ratio	410	HBV, HCV infection prevalence, Shandong	500
CJD variant and Kuru	535	Health behavior and decision making	865
Clamydial, gonococcal infection diagnosis	791	Health and macro economy	453
Cockroaches, bacterial pathogens	218	Helminthiasis and fatty acids, Philippines	329
Communicable, non-communicable disease priorities	241	Helminth eggs, albendazole, mebendazole treatment	321
Construction workers, living/working conditions, Thailand	46	Helminthiasis, intestinal, primary school children	314
Cost benefit analysis, Japanese encephalitis	143	Helminthiasis, socio-economic predictors	811
Deltamethrin and <i>Anopheles culicifacies</i>	606	Helminths single dose albendazole, Orang Asli	563
Dengue detection in <i>Aedes aegypti</i> , <i>Aedes albopictus</i>	138	Helminths, soil-transmitted, mebendazole treatment	326
Dengue, hemorrhagic fever, Cambodia	120	Helminths, soil-transmitted, PHC impact	816
Dengue hemorrhagic fever, cost, Thailand	711	Hemoglobin typing by HPLC	417
		Hemoglobin typing in cholangiocarcinoma	424
		Hemolytic disease (ABO) of newborn, direct anti-globulin test	428
		Hemophilia B carrier, DNA markers	629

SUBJECT INDEX

Hepatitis A seroepidemiology, adolescents, Bangkok	154	mutations	387
Hepatitis B and C virus infection, Philippines	683	<i>Naegleria meningomyeloencephalitis</i>	237
Hepatitis B intrauterine infection	365	Nutrition and health, maternal, Japan and Philippines	645
Hepatitis C antibodies in thalassemia	149	Nutrition, parasitology, Indonesian children	173
Hepatitis C antibody, female sex workers, Thailand	507	Obstructive sleep apnoea syndrome, Thai children	62
Hepatitis G virus, does it cause disease?	678	<i>Oncomelania</i> snails, antigenic structure	223
HIV in children, ventricular functions	375	Opisthorchiasis control program, Thailand	551
HIV in donated blood, multi-transfused children	699	Oral rehydration, rice salts packets	862
HIV in infants, cardiovascular effects	370	<i>Oriental tsutsugamushi</i> antibodies, Thailand	666
HIV-1 vertical transmission factors	689	<i>Paragonimus heterotremus</i> dot ELISA	621
HPV DNA detection, typing	707	<i>Parastrongylus cantanensis</i> antigen detection	624
Information, disease prevention	1	Parasight-F dipstick operational trial	243
Japanese encephalitis, cost benefit analysis	143	Pharmacokinetics of dihydroartemesinin, single dose	731
Kala-azar, PCR detection	169	<i>Plasmodium berghei</i> , GMCSF production in mice	757
Leishmaniasis, cutaneous, Thailand	558	<i>Plasmodium falciparum</i> drug sensitivity, China border areas	460
Leishmaniasis, visceral, Nepal	836	<i>Plasmodium falciparum</i> gametocyte culture	18
Leprosy, multibacillary, combined drug regimens	803	<i>Plasmodium ovale</i> , Lao PDR	746
<i>Leptospira autumnalis</i> , fatal case, Lao PDR	436	<i>Plasmodium vinkei petteri</i> , macrophage killing	489
Macro economy and health	453	<i>Plasmodium vivax</i> , immune response to non-repeat region of CSP	748
Malaria and <i>Anopheles</i> , Malaysia	599	Prenatal care and perinatal mortality	55
Malaria and patient genetics, Myanmar	22	Renal stones, Malaysia	641
Malaria, Yunnan border	456	Respiratory infections, acute lower, Bangladesh	99
Malaria control, personal measures	254	Risk factors, chronic diseases in street sweepers	36
Malaria, diagnosis by PCR	432	Road traffic injuries, Karachi	395
Malaria diagnosis, ParaSight™-F dipstick	243	Russell's viper bites, serum cortisol, Myanmar	399
Malaria, drug sensitivity test <i>in vivo</i>	247	Russell's viper venom fraction nephrotoxicity	657
Malaria, ICT dipstick diagnosis	723	<i>Salmonella</i> , DNA probe in food	73
Malaria in refugee population, Sri Lanka	12	<i>Salmonella enteritidis</i> demography, Thailand	774
Malaria in Solomon Islands, human and environmental factors	482	<i>Salmonella enteritidis</i> Singapore	85
Malaria, multidrug resistant, combined therapy	727	<i>Salmonella typhi</i> , pulse-field gel electrophoresis	82
Malaria, multidrug resistant, drug combinations	465	<i>Schistosoma japonicum</i> , effects on ova hatching	575
Malaria, severe, complicated, India	259	<i>Schistosoma japonicum</i> , cercarial dynamics in <i>Oncomelania hupensis</i>	296
Malaria surveillance, simplified measures	4	<i>Schistosoma japonicum</i> intensity, morbidity, Jiangxi	545
Maternal weight gain in pregnancy	873		
<i>Mesocyclops thero-cyclopoides</i> against mosquito larvae	857		
Microsporidiosis, intestinal, electron microscopy	347		
Mycetismus in Iran	438		
<i>Mycobacterium tuberculosis</i> , KAT G			

<i>Schistosoma japonicum</i> in urban, rural China	280	<i>Toxoplasma</i> , IgG antibody detection	335
<i>Schistosoma mansoni</i> in SCID mice	838	<i>Toxoplasma gondii</i> sero-epidemiology, Bangladesh	339
<i>Schistosoma mansoni</i> relocation in rats	581	Traffic accidents, Bangkok, case-control study	881
<i>Schistosoma mekongi</i> GST gene sequence	570	<i>Trichuris</i> , <i>Ascaris</i> , hookworm in Orang Asli children	161
<i>Schistosoma spindale</i> , Malaysia	303	Tuberculosis, immune response in BCG vaccinees	764
Schistosomiasis japonica, isotypic antibodies	268	Tuberculosis, miliary	235
Schistosomiasis japonica, social factors	285	Vector, malaria, light trap efficacy	196
Schistosomiasis transmission, mountainous Yunnan	291	Vaccines, combined, Thailand	496
Streptococcal infection in lymphatic filariasis	826	<i>Wuchereria bancrofti</i> , scanning EM	820
<i>Strongyloides</i> , gastric, Malaysian case	158		
STD/AIDS prevention, brothels, Indonesia	513		
Thalassemic children, zinc and copper status	877		
Toxocariasis, PCR diagnosis	514
