

# THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 28

Number 4

December 1997

CONTENTS	Page
Editorial : Playing with fire.....C Kidson	675
Review : Does hepatitis G virus cause significant clinical liver disease?..... .....Y Poovorawan, A Theamboonlers, P Hirsch	678
Hepatitis B and C virus infection prevalence among women in Manila, the Philippines..... RD Subida, ZW Zhang, MC Agetano, H Nakatsuka, T Watanabe, S Shimbo, K Higashikawa, M Ikeda	683
Maternal and viral factors in vertical transmission of HIV-1 subtype E.....R Suttent, S Foongladda, S Chearskul, N Wanaprapa, S Likanonskul, U Kositanont, S Riengrojpitak, S Sahapong, C Wasi	689
Prevalence of transfusion associated infections in multitransfused children in relation to mandatory screening of HIV in donated blood.....V Aggarwal, C Prakash, S Yadav, D Chattopadhy	699
Detection and typing of human papilloma virus DNAs in normal cervix, intraepithelial neoplasia and cervical cancer in Bangkok.....S Siritantikorn, S Laiwejpathaya, U Siripanyaphinyo, P Auewarakul, P Yenchitsomanus, K Thakernpol, C Wasi	707
The cost of dengue hemorrhagic fever in Thailand.....K Okanurak, S Sommani, K Indaratna	711
The effect of nonionic detergent on dengue and Japanese encephalitis virus antigens in antigen detection ELISA and IgM-capture ELISA.....MS Maha, A Igarashi	718
The ICT malaria® PF : A simple, rapid dipstick test for the diagnosis of <i>Plasmodium falciparum</i> malaria at the Thai-Myanmar border.....P Thepsamarn, N Prayoollawongsa, P Puksupa, P Puttoom, P Thaidumrong, S Wongchai, J Doddara, J Tantayarak, K Buchachart, P Wilairatana, S Looareesuwan	723
Two doses of artemether/mefloquine or artesunate/mefloquine combination for multidrug resistant falci- parum malaria.....D Bunnag, T Kanda, J Karbwang, K Thimasarn, S Pungpat, T Harinasuta	727
Pharmacokinetics and <i>ex vivo</i> anti-malarial activity of sera following a single oral dose of dihydroartemisinin in healthy Thai males.....K Na-Bangchang, K Congpoung, R Ubalee, A Thanavibul, J Karbwang	731
Artemether in moderate to severe malaria : a multicenter trial in India..... .....PC Bhattacharya, AJ Pai-dhungat, K Patel	736
Transplacental passage of <i>Plasmodium falciparum</i> and seroevaluation of newborns in northern Nigeria.....OA Egwanyenga, JA Ajayi, DD Duhlinska-popova	741
Case report : <i>Plasmodium ovale</i> in Lao PDR..... .....C Karnasuta, T Pongvongsa, K Jongsakul, A Na Nakorn, G Watt	746
Immune response against the non-repeat region (293-310) of the circumsporozoite protein of <i>Plasmodium</i> <i>vivax</i> .....S Shahi, P Kumar, KK Kamboj, DN Rao	748
Granulocyte-macrophage colony-stimulating factor production by T lymphocytes in <i>Plasmodium berghei</i> - infected mice.....M Owhashi, H Uemura, H Kanbara, Y Nawa	757
Immune response profile in patients with active tuberculosis in a BCG vaccinated area..... .....R Hussain, Z Toossi, R Hasan, B Jamil, G Dawood, JJ Ellner	764
Demographic data on <i>Salmonella enteritidis</i> infection in Thailand, 1990-1995..... .....V Boriraj, A Bangtrakulnonth, S Pornruengwong, K Saitanu	774
Specific binding of <i>Burkholderia pseudomallei</i> cells and their cell-surface acid phosphatase to ganglio-	

tetraosylceramide (asialo GM1) and gangliosylceramide (asialo GM2).....	781
.....K Kanai, Y Susuki, E Kondo, Y Maejima, D Miyamoto, T Susuki, T Kurata	
An assessment and evaluation of methods for diagnosis of chlamydial and gonococcal infections.....	791
.....C Chomvarin, Y Chantarsuk, P Thongkrajai, N Waropastrakul, N Tesana	
Retrospective study of empyema cases in National Pediatric Hospital, Cambodia.....	801
.....R Hong, T Sok	
Ofloxacin containing combined drug regimens in the treatment of multibacillary leprosy.....	
.....P Sampoonachot, C Bundit, N Kuhacharoen, S Peerapakorn, K Kampirapap,	
A Poomlek, S Bampenyu, S Tiasiri, S Rungruang, S Surasondhi, S Supanwanit, S Wiriyawipart	803
Socio-environmental predictors of soil-transmitted helminthiasis in a rural community in Malaysia.....	
.....NI Hidayah, ST Teoh, E Hillman	811
The impact of primary health care intervention on reinfection of soil-transmitted helminths in the community.....	
.....C Muennoo,	
W Achawanichkul, S Sa-nguanlkait, S Pubampen, W Maipanich, M Anataphruti, J Waikagul	816
Scanning electron microscopic study of microfilaria and the third stage larva of <i>Wuchereria bancrofti</i> .....	820
.....S Ratanatham, O Sirivanichkul, ES Upatham, P Sobhon, V Viyanant, C Ketavan	
Estimation of ASO titer as an indicator of streptococcal infection precipitating acute adenolymphangitis in brugian lymphatic filariasis.....	826
.....TK Suma, RK Shenoy, J Varghese, VV Kuttikkal, V Kumaraswami	
Human infection of <i>Centrocestus caninus</i> in Thailand.....	
.....J Waikagul, T Wongsaroj, P Radomyos, V Meesomboon, R Praewanich, P Jongsuksantikul	831
Case report : Visceral leishmaniasis with cutaneous ulcer or cutaneous leishmaniasis in Nepal.....	
.....P Karki, SC Parija, S George, ML Das, S Koirala	836
Features of <i>Schistosoma mansoni</i> infection in SCID mice.....	
.....T Ozaki, M Kumagai, T Inaba, J Abella, M Ito, H Kamiya	838
Breeding habitats of <i>Aedes aegypti</i> (L.) and <i>Ae. albopictus</i> (Skuse) in villages of Barru, South Sulawesi, Indonesia.....	844
.....H Ishak, I Miyagi, T Toma, K Kamimura	
A field trial of Etofenprox (OMS 3002) as a residual insecticide against malaria vectors in Tanjung Bunga District, East Flores, Indonesia.....	851
.....S Nalim, Barodji, Widiarti, U Widiyastuti	
Laboratory evaluation of the biocontrol potential of <i>Mesocyclops thero-cyclopoides</i> (Copepoda : Cyclopidae) against mosquito larvae.....	857
.....PK Mittal, RC Dhiman, T Adak, VP Sharma	
Shelf-life of pre-cooked rice oral rehydration salts packets.....	
.....S Islam, ASG Faruque, GJ Fuchs, MA Wahed, D Mahalanabis	862
Health behavior, perceptions, practices and decision making : sub-national and socio-demographic differentials in Bangladesh, 1995.....	865
.....A Razzaque, S Hossain, H Rahman, N Alam	
The relationship between maternal weight gain in pregnancy, hemoglobin level, stature, antenatal attendance and low birth weight.....	873
.....TO Lawoyin	
Zinc and copper status of thalassemic children.....	
.....S Kajanachumpol, T Tatu, W Sasanakul, A Chuansumrit, P Hathirat	877
Risk factors for traffic accidents in Bangkok metropolis: A case-reference study.....	
.....RS Na Ayuthya, D Böhning	881
Author Index .....	886
Subject Index .....	892
