Factors associated with regional bias of <i>pfprt</i> (<i>Plasmodium falciparum</i> chloroquine resistance transporter) haplotypes in Nepal MR Banjara, M Imwong, S Petmitr, W Sirawaraporn, AB Joshi, P Chavalitshewinkoon-Petmitr	1
Directly observed therapy with primaquine to reduce the recurrence rate of <i>Plasmodium vivax</i> infection along the Thai-Myanmar border W Maneeboonyang, S Lawpoolsri, S Puangsa-art, S Yimsamran, N Thanyavanich, P Wuthisen, S Prommongkol, W Chaimongkul, P Rukmanee, N Rukmanee, IF Chavez, S Krudsood	9
Species identification of intestinal microsporidia using immunofluorescence antibody assays MA Al-Mekhlafi, MS Fatmah, N Anisah, M 'Azlin, HM Al-Mekhlafi, M Norhayati	19
Efficacy of sodium metaperiodate (SMP)-ELISA for the serodiagnosis of schistosomiasis mekongi M Kirinoki, Y Chigusa, H Ohmae, M Sinuon, D Socheat, J Matsumoto, V Kitikoon, H Matsuda	25
Experimental infection with <i>Paragonimus heterotremus</i> metacercariae in laboratory animals in Manipur, India TS Singh, H Sugiyama, KhR Devi, LD Singh, S Binchai, A Rangsiruji	34
Allozyme analysis of the temporal populations of <i>Echinostoma revolutum</i> collected from domestic ducks in Khon Kaen Province, Thailand W Saijuntha, P Sithithaworn, C Tantrawatpan, S Tapdara, RH Andrews	39
Development of HAT-RAPD marker for detection of <i>Stellantchasmus falcatus</i> infection C Wongsawad	46
Infection dynamics and molecular identification of metacercariae in cyprinoids from Chiang Mai and Sakon Nakhon Provinces P Wongsawad, C Wongsawad	53
Research note. Seasonal variation of metacercariae in cyprinoid fish from Kwa Noi Bamroongdan Dam, Phitsanulok Province, northern Thailand W Noikong, C Wongsawad, A Phalee	58
Effect of temperature on laboratory reared <i>Anopheles dirus</i> Peyton and Harrison and <i>Anopheles sawadwongporni</i> Rattanarithikul and Green S Phasomkusolsil, K Lerdthusnee, B Khuntirat, W Kongtak, K Pantuwatana, JR Murphy	63
Survey of <i>Anopheles</i> mosquitoes (Diptera: Culicidae) in West Sumba District, Indonesia KA Barbara, S Sukowati, S Rusmiarto, D Susapto, MJ Bangs, MH Kinzer	71
Studies of phlebotomine sand fly (Diptera: Psychodidae) populations in limestone areas and caves of western Malaysia M Khadri Shahar, A Abu Hassan, HL Lee, MR Che Salmah	83
Molecular typing of dengue viruses circulating on the East Coast of Peninsular Malaysia from 2005 to 2009 G Vinomarlini, Tg Rogayah, TS Saraswathy, R Thayan, M Apandi, MK Fauziah, Z Saat	94

Research note. Monitoring of the H275Y mutation in pandemic influenza A(H1N1) 2009 strains isolated in Malaysia	J Suppiah, MA Yusof, KA Othman, TS Saraswathy, R Thayan, F Md Kasim, S Murad, Z Saat	100
Noroviruses in oysters from local markets and oyster farms in southern Thailand	L Kittigul, K Pombubpa, S Sukonthalux, T Rattanatham, F Utrarachkij	105
Research note. DNA fingerprinting of septicemic and localized <i>Burkholderia pseudomallei</i> isolates from Malaysian patients	MN Azura, A Norazah, AGM Kamel, SA Zorin	114
Research note. Drug resistance among <i>Mycobacterium tuberculosis</i> isolates from private clinics and a DOTS center in Delhi, India	A Angrup, M Varma-Basil, S Kumar, RK Pathak, H Sharma, JN Banavaliker, M Bose	122
Evaluation of recombinant Lig antigen-based ELISA for detection of leptospiral antibodies in canine sera	A La-ard, P Amavisit, T Sukpuaram, W Wajjwalku	128
Safety and reactogenicity of DTPa-HBV-IPV/Hib and DTPa-IPV/Hib vaccines in a post-marketing surveillance setting	FS Lim, KB Phua, BW Lee, SH Quak, YL Teoh, G Ramakrishnan, H-H Han, O Van Der Meeren, J-M Jacquet, HL Bock	138
Case report. Septicemia, meningitis, and skull osteomyelitis complicating infected cephalohematoma caused by ESBL-producing <i>Escherichia coli</i>	N-S Nakwan, N-W Nakwan, J Wannaro, P Dissaneevate, S Kritsaneepaiboon, K Chokephaibulkit	148
Maternal and child health in a marginalized community along the Thai-Myanmar border ...	W Wichaidit, J Kaewkungwal, C Sirivichayakul, P Taechaboonsersak, V Suvithayasiri	152
Medical faculty and school of health student knowledge of and behavior regarding swine flu and vaccine in Kahramanmaras, Turkey	A Ozer, E Kirecci, HC Ekerbicer, M Celik	161
Dissemination of reproductive health knowledge by questions and answers through telephone hotline: a feasibility study in Myanmar	Ko-Ko-Zaw, Than-Tun-Sein, Kyaw-Minn, Khin-Maung-Lwin, Ye-Htut, Yin-Thet-Nu-Oo, Theingi-Myint, San-Shwe, Khin-Pyone-Kyi	168
Metabolic syndrome and its relation to chronic kidney disease in a Southeast Asian population	B Satirapoj, O Supasynhd, N Mayteedol, A Chaiprasert, P Choovichian	176
Awareness and practices of self-management and influence factors among individuals with type 2 diabetes in urban community settings in Anhui Province, China	X Zhong, C Tanasugarn, EB Fisher, S Krudsood, D Nityasuddhi	184
Hyperglycemia, glucose intolerance, hypertension and socioeconomic position in eastern Nepal	KD Mehta, P Karki, M Lamsal, IS Paudel, S Majhi, BKL Das, S Sharma, N Jha, N Baral	197
Risk factors for hypertension among rural Thais	Lwin-MM-Khin, T Silawan, O Pacheun, C Boonshuyar	208
Smoking behavior among adolescents in Thailand and Malaysia	T Sirirassamee, B Sirirassamee, R Borland, M Omar, P Driezen	218
Factors related to work ability among Thai workers	O Kaewboonchoo, S Saleekul, S Usathaporn	225
