

THE SOUTHEAST ASIAN JOURNAL OF TROPICAL MEDICINE AND PUBLIC HEALTH

Volume 42

Number 6

November 2011

CONTENTS

Page

Factors associated with acute renal failure in falciparum malaria infected patients	
..... N Tangpukdee, SB Omar Elshiekh, W Phumratanaprapin, S Krudsood, P Wilairatana	1305
Humoral immune responses to <i>Plasmodium vivax</i> subtelomeric transmembrane proteins in Thailand	
T Sungkapong, R Culleton, K Yahata, M Tachibana, R Ruengveerayuth, R Udomsangpetch, M Torii, T Tsuboi, J Sattabongkot, O Kaneko, K Chotivanich	1313
Research note. High prevalence of <i>pfprt</i> K76T mutants among <i>Plasmodium falciparum</i> isolates from Sabah, Malaysia	
NA Norahmad, NR Abdullah, N Yacob, J Jelip, JF Dony, K Faiz Ruslan, L Hakim Sulaiman, HM Sidek, H Noedl, Z Ismail	1322
Morphological characteristics of developmental stages of <i>Acanthamoeba</i> and <i>Naegleria</i> species before and after staining by various techniques	
..... I Ithoi, A-F Ahmad, JW Mak, V Nissapatorn, Y-L Lau, R Mahmud	1327
Comparison of three antigen preparations to detect trichinellosis in live swine using IgG-ELISA	
M Tattiyapong, U Chaisri, M Vongpakorn, MT Anantaphruti, P Dekumyoy	1339
Research note. Microfilaria and filarial granulomas from fine needle aspirates: a study of 25 cases	
SK Andola, A Akshatha Naik	1351
Case report. A rare case of ocular onchocerciasis in India	
..... P Barua, A Sharma, NK Hazarika, N Barua, S Bhuyan, ST Alam	1359
Review. Serological and molecular tools to detect neurologic parasitic zoonoses in rural Cameroon	
A Nkouawa, Y Sako, R Moyou-Somo, A Ito	1365
Demodicosis among university medical students in Malaysia and the effects of facial cleanser and moisturizer usage	
Noor Hayati MI, Loh WL, Gee HF, Abdul Malek M, Nurasilah R, Nur Izzati R, Siti Nor Azreen AM, Syamsa Rizal A	1375
Utility of a set of conserved mitochondrial <i>cytochrome oxidase subunit I</i> gene primers for <i>Mansonia annulata</i> identification	
..... C Rueanghiran, C Apiwathnasorn, P Sangthong, Y Samung, J Ruangsittichai	1381
Research note. Competitive suppression between chikungunya and dengue virus in <i>Aedes albopictus</i> C6/36 cell line ...	
R Potiwat, N Komalamisra, U Thavara, A Tawatsin, P Siriyasatien	1388
Distribution of cave-dwelling phlebotomine sand flies and their nocturnal and diurnal activity in Phitsanulok Province, Thailand	
..... R Polseela, A Vitta, S Nateeworanart, C Apiwathnasorn	1395
Cavernicolous species of phlebotomine sand flies from Kanchanaburi Province, with an updated species list for Thailand	
..... C Apiwathnasorn, Y Samung, S Prummongkol, A Phayakaphon, C Panasopolkul	1405
Research note. Hepatitis B among pregnant women attending health care facilities in rural Bangladesh	
Md Shamsuzzaman, P Singhasivanon, J Kaewkungwal, S Lawpoolsri, P Tangkijvanich, RV Gibbons, M Rahman, ASM Alamgir, MA Mahtab	1410

Effectiveness of fixed-dose combination stavudine, lamivudine and nevirapine (GPO-VIR) for treatment of naïve HIV patients in Thailand: a 3-year follow-up	
..... V Desakorn, BM Karmacharya, V Thanachartwet, NL Kyaw, S Tansuphaswadikul, D Sahassananda, J Dhitavat, W Maek-a-nantawat, P Pitisuttithum	1414
Research note. Establishment of a molecular diagnostic system for detecting human papillomavirus in clinical samples in Sri Lanka	
..... R Uthayaruban, N Fernandopulle	1423
Investigating user-friendliness of the sexual and reproductive health services among youth in Botswana	
..... C Lesedi, ME Hoque, B Ntuli-Ngcobo	1431
Tuberculosis treatment with mobile-phone medication reminders in northern Thailand	
..... P Kunawararak, S Pongpanich, S Chantawong, P Pokaew, P Traisathit, K Srithanaviboonchai, T Plipat	1444
Efficient heterologous expression and one-step purification of fully active C-terminal histidine-tagged uridine monophosphate kinase from <i>Mycobacterium tuberculosis</i>	
..... P Penpassakarn, P Chaiyen, P Palittapongarnpim	1452
Effect of BCG vaccination and non-tuberculous <i>Mycobacterium</i> infection on interferon gamma specific assay and a tuberculin skin test among children with a tuberculosis contact in Surabaya, Indonesia	
..... L Setiawati, A Endaryanto, A Kusumadewi, P Lestari	1460
Case report. Shock and tuberculous enteritis in a non-HIV infected healthy man	
..... H-Y Chen, Y-S Chen, SS-J Lee, H-C Tsai	1469
Research note. Widespread presence of <i>dfrA12</i> and its association with <i>dfrA12-aadA2</i> cassette in <i>Salmonella enterica</i> isolates from swine	
..... P Padungtod, C Tribuddharat, R Chuanchuen	1471
Antibiogram and genotyping of <i>Pseudomonas aeruginosa</i> isolated from human, animal, plant, water and soil sources in North India	
..... R Janam, AK Gulati, G Nath	1477
Evaluation of loop-mediated isothermal amplification method for detecting enterotoxin A gene of <i>Staphylococcus aureus</i> in pork	
..... T Suwanampai, K Pattaragulvanit, P Pattanamahakul, O Sutheinkul, K Okada, T Honda, J Thaniyavarn	1489
Prevalence of methicillin-resistant <i>Staphylococcus aureus</i> among university students in Thailand	
..... T Kitti, K Boonyonying, S Sittisak	1498
Epidemiology of adult candidemia at Chiang Mai University Hospital	
..... R Chaiwarith, P Ounbang, C Khamwan, N Nuntachit, T Sirisanthana, K Supparatpinyo	1505
Decreased retinol transport proteins in Thai post-menopausal women with osteoporosis	
..... C Chupeerach, T Harnroongroj, B Phonrat, A Tungtrongchitr, FJ Schweigert, R Tungtrongchitr, S Preutthipan	1515
Urinary and blood cadmium levels in relation to types of food and water intake and smoking status in a Thai population residing in cadmium-contaminated areas in Mae Sot	
..... K Boonprasert, P Kongjam, P Limpatanachote, R Ruengweerayut, K Na-Bangchang	1521
Illicit cigarette trade in Thailand	
..... P Pavananunt	1531
Association between mandatory seatbelt laws and road traffic injuries in Iran	
..... H Soori, A Nasermoadeli, E Ainy, SA Hassani, MR Mehmandar	1540
Knowledge and practice of travel medicine among primary health care physicians in Qatar	
..... M Al-Hajri, A Bener, O Balbaid, E Eljack	1546
Author index	1553
Subject index	1560
Acknowledgements	1563
